11 Persons Hurt in 5 Traffic Accidents

Crash on Nameoki Rd. Injures 4; Auto-Train Mishap last Night

Injuries were suffered by four persons about 5:10 p.m. Tuesday in the collision of an auto and a pickup truck on Nameoki road and Jill avenue.

The motorist, Mrs. Hazel Rushing, 39, of 2406 Sheridan avenue, who sustained minor injuries, was charged with failure to yield right-of-way with a control present. Police said she was going west on Jill avenue and made a left turn in front of the northbound pickup truck of Carl Robinson, 35, of 1728 Ferguson avenue.

Robinson also was injured as were two passengers in the Rushing auto. Lois Rushing, 16, and Theresa Rushing, 11, they were taken by ambulance to St. Elizabeth Hospital.

Mrs. Rushing sustained abrasions and contusions to the left knee and forehead and had x-rays. She was released. The older daughter, Lois, was treated and admitted with bruises and abrasions to the forehead, right elbow and knee and underwent x-rays. Theresa, who suffered contusions of the chest, had x-rays taken and was released.

Robinson incurred contusions to the chin, chest, lower lip and right hand and was treated and released.

Auto-Train Crash

Two persons were injured about 10:30 p.m. Tuesday when their auto was involved in a collision with a train at the Edwardsville road rail crossing near 14th street.

Taken by ambulance to St. Elizabeth Hospital were Jess J. Messina, 50, of 2069 Ben avenue, and Luisa Messina, 50, of the same address.

Police said the auto was traveling north, while the Terminal Railroad freight train was going east. The crew, including engineer Jack Lupardus, 33, of East St. Louis, told police the crossing lights were flashing and the train bell and horn were sounding.

Mrs. Messina was treated at the hospital for multiple cuts to her face, forehead and scalp, requiring between 60 and 85 sutures, and contusions and abrasions to the face and head. She underwent x-rays and was admitted.

Her husband sustained cuts to the back of his head and contusions.

Freeway from Rock Island May Go Through Quad-Cities

(Drawing on Page 9.)

A public hearing has been set for 7:30 p.m. Jan. 5 at the Farm Bureau Building, 900 Hillsboro, Edwardsville, on supplemental freeway which may go through the Quad-City area.

The Division of Highways, Illinois Department of Public Works and Buildings, plans the highway to serve the western part of the state "between East St. Louis and Rock Island." Rock Island is located in the west-northwest area of Illinois.

Three corridors are under consideration for the location of Supplemental Freeway F-13 in the Madison - St. Clair counties area.

Corridor A extends southward near the Mississippi River and then cuts inland to roughly follow the vicinity of State Highway 111 through this area.

Corridor B is somewhat wider. It follows a similar path but

slightly to the east, going through this area at a point between Highway 111 and Highway 159.

Corridor C swings still farther to the east, following the area of Highway 159 and lanes east of that route.

District Engineer Robert E. Krout said yesterday the hearing will relate to the portion of the proposed highway running through the "metropolitan area between East St. Louis and Alton."

"Maps and drawings will be on display, and Division of Highways personnel will be available to answer individual questions after 6:30 p.m. Jan. 5 at the Farm Bureau Building."

Interested citizens will be given the opportunity to effectively participate in the process of determining the need for a three-year period.

The Phelps Dodge firm has an option to purchase the plant at \$192, a Dow spokesman said.

Dow will continue the operation of its aluminum and magnesium plants at Madison, Ark., and Denver, Colo., the spokesman said.

Work Force Unchanged

Effect upon personnel at the Dow plant was not announced, but a plant official said about 15 persons are expected to be transferred from the administrative level to the plants at Arkansas and Colorado, and that no changes are expected in the working force.

M. Wilson Dowell is now plant manager at the Madison Dow plant, and Fred H. Eckert is rolling mill manager. Fred P. Strieter is casting plant manager.

The Dow Chemical Co. metal products plant was established 18 years ago and was one of the first in the world equipped to manufacture wrought products from magnesium on a mass scale.

Until 1956 the plant was a magnesium rolling mill, but during that time it also has been engaged in making aluminum products. The plant has employed an average normal work force of about 100.

Established in 1951

The plant was established in 1951 when Dow bought a deactivated world war II plant, expanded the space to 1,400,000 square feet and installed new, modern equipment, including some of the largest rolling mills and extrusion presses in the world.

Magnesium produced at the Madison plant made up much of the output.

Accept \$250 Low Bid

The council accepted a low bid of \$2540 from the B. E. "Holt Agency" on a purchase of a 1970 police car. The city will accept \$1543 on a trade-in of a 1967 car.

A 1967 Chevrolet submitted a bid of \$2548 and offered \$1543 in the trade-in.

Mayor N. J. Bannister announced that bids will be opened at 2:30 p.m. Dec. 5 to install drainage pipes in a ditch in front of the Fox Bros. plant at Madison, Madison Industrial Park. The ditch is to be filled.

Thieves 'Peel'

An office safe was peeled and between \$75 and \$80 was taken in a burglary at the Steinberg Furniture store, 1825 State street, at 10:30 a.m. Sunday, 9:45 a.m. Tuesday. Damage to the safe was estimated at \$400.

A 12x14-inch hole was broken through the roof to gain entry. The intruders lowered themselves onto a furnace pipe, breaking it, then moved into the store and office.

The combination was knocked off the safe and an attempt was made to remove the hinge peeling. The contents were scattered on the floor.

\$300 Copper Stolen

Two barrels of copper wire valued at \$300 were stolen from the Fox Bros. plant at Madison, police reported at 3:30 p.m. Monday. Officers said the thieves broke into a storage room by prying off the lock, and then used a dolly to wheel the barrels to the west end of the plant.

The barrels were removed from the barrels and apparently loaded into a car to transport the wire.

Theft of a \$20 bill from her purse in her home was reported.

All is Ready for Santa-Arrives Friday

Old St. Nicholas will arrive at the Quad-City area Friday morning, officially opening the Christmas season as he has done in past years with a tour through Venice, Madison and a Granite City, bringing Christmas greetings and a lot of candy goodies—to the youngsters.

Santa Claus, to give him his more popular title, will make stops during the procession of his motorcade in Venice and Madison and at three shopping centers in Granite City, then will take up residence in his log cabin in Civic Park to take orders from the many hundreds of children who customarily visit the old gentleman each year.

Santa will be met upon his arrival at McKinley Bridge by a civic reception group that will drive him and his jolly gnomes down Broadway to the Venice library at Fourth street where Santa and his entourage will make the first stop. Santa will arrest youngsters gathered at that point and will distribute

candies. That stop is scheduled for 8:40 a.m.

Stop in Madison

The motorcade will proceed to the Log Cabin in Madison to Third street in Madison for the second stop, scheduled for about 9:35 a.m. The procession will continue to Belleme Village Shopping Center in Granite City for a scheduled 10 a.m. stop, then to the Log Cabin in Madison for a 10:30 a.m. appearance. The last stop is planned at the American Village Shopping Center about 10:45 a.m.

Santa and his elves then will proceed to the Log Cabin in Civic Park which was set up last week and is ready for the bewhiskered patriarch's three-weeks residency.

On the three Sundays before Christmas, Dec. 7, 14 and 21, the old gentleman will be available to youngsters from noon until 5:30 p.m.

Only exceptions to this schedule will be on the Monday and Tuesday before Christmas—Dec. 22 and 23—when his hours will be from noon until 8 p.m., and on Wednesday, Dec. 24, when he will make his last appearance from 10 a.m. until 2 p.m.

License Plate Sales to Start Here on Monday

Over-the-counter sale of 1970 motor vehicle license plates will begin Monday, December 1, at two Secretary of State's office facilities in Springfield, and at two local banks, Secretary of State Paul Powell announced today. Also, he pointed out, motorists who have already received their plates through the mail may begin displaying them on that date.

New licenses may be purchased here at the First Granite City National Bank and the Granite City Trust & Savings Bank.

Powell warned that there may be an earlier deadline for displaying the 1970 plates. At present, one fourth of total registration has already been received, an increase of about 200,000 over the amount received at the same time a year ago, he said.

"If Illinois motorists will continue to send their license applications in early or purchase their plates through our Springfield and Chicago facilities, at banks, through exchanges or exchanges or remittance agents, we may be able to make the deadline for displaying plates Feb. 1 instead of Feb. 15," Powell said.

Personnel Recruiting Set for SIU-SW Campus

Eight business firms, two school districts, the U. S. Navy, the Marine Corps and the Department of Housing and Urban Development will be recruiting personnel on the Southern Illinois University-Southwestern campus during December.

The Placement Service at SIU-SW has announced a schedule of interviews beginning Tuesday, Dec. 2, and continuing through Dec. 9.

Job candidates should register with the Placement Service to schedule appointments with interviewers.

Firms recruiting during December include College Life Insurance Co., Massachusetts Mutual Life Insurance Co., Alexander Grant and Co., Herbert A. Graham, CPA; Peat Marwick, Mitchell and Co., Burroughs Corp., and Fidelity Union Life Insurance Co.

Commercial area would be on an 80-acre tract along the south side of East Pontion road near the Alton & Southern Railroad tracks, with 50 feet paralleling the tracks to be utilized by Union Division, Miles Laboratories, which owns the former Cargill grain elevator on the opposite side of the tracks.

The developer, Leo Wolf, who also is developing the tract on the north side of Pontion road with apartments and a planned commercial development.

Only 50 acres remain for development on the tract on the north side of Pontion road, while Wolf's future plans for the larger 80-acre tract on the south side of the road and west of the tracks would include a shopping center and a commercial area along with a possible trailer court.

An engineering study on drainage was ordered for the tract before submitting the petition to the Plan Commission.

Approved by the Council was a zoning change authorized by the Plan Commission for Bobby Coryell to convert a garage at 1410 Grand avenue for a screen and glass repair shop. The zoning is being changed from R-1 residential to C-1 commercial.

Three Young GC Women Selected 'Outstanding'

Three Granite Cityans have been selected as Outstanding Young Women of America for 1969 and will appear in the annual biographical compilation, "Outstanding Young Women of America." The program is designed to recognize the abilities of women between the ages of 21 and 35 throughout the country.

Those nominated from here and their sponsoring organization, include: Miss Carol Spengler, Columbia, Mo., daughter of Mr. and Mrs. Robert Spengler, 3666 Terrace lane, sponsored by 7th District Nurses Association; Mrs. Shirley Faye Brokaw, Farmley, 3221 Willow drive, Na Zeta Chapter, Beta Sigma Phi Sorority; and Mrs. Karen Margaret Walker, 2217 Woodlawn avenue, Indian Springs Military Wives Club.

Each year over 5000 young women are nominated for the honor by leading women's organizations and college alumnae associations. Biographical sketches of each appear in the annual publication. From the

Social Security Answers

Answers to questions most often asked concerning social security are being provided to the Press-Record by Ralph Brasher, district manager for the Social Security Administration.

Anyone with questions may send them to him at the Social Security Administration, 450 Missouri Avenue, Room 104, East St. Louis, Ill. 62201.

Answers to recently asked

questions follow:

Q. I will be 65 in a few months, but I will continue to work. My earnings will be

about \$10,000 a year. Can I get Medicare?

A. Yes, you do not have to retire to get Medicare protection. Just be sure to sign up for it at your social security office.

Q. How soon should I sign up for Medicare?

A. We suggest you get in touch with your social security office two or three months before the month you are 65 and apply. By doing this you will

have full Medicare protection at the earliest possible time.

Q. Suppose I don't sign up in one of the three months before I'm 65. Can I sign up later?

A. Yes. You actually have

seven months to enroll in Medicare—the three months before the month you reach 65, your birthday month and the next three months. However, if you wait until the month you are 65 or the three following months, your protection under the doctor bill insurance part of Medicare will be delayed for one to three months.

Tree of Lights

Credit Union—two lights; Cohen's Market.

Edward L. Stone, chairman of the board, presided at the meeting and announced the Salvation Army will hold the annual Christmas party for the patients at Scott Air Force Base Hospital on Tuesday, Dec. 2.

Capt. Harold F. Thomas gave the service report, stating there were 35 youth activities and 20 other meetings attracting 1447 persons. The League of Mercy visited four institutions and 228 patients, including Scott AFB; 140 cards were sent to service-

men; and 232 volunteer hours were given to these projects. His report said 32 cases were processed through the Welfare Office with 93 individuals assisted. Material assistance was given in the form of food, clothing, shoes, furnishings, household items and bedding. Expenditures of \$1330 were reported for community services and activities for October.

Charged with Speeding

Glenn Vatterott, St. Louis, was issued an arrest ticket Tuesday evening at Johnson and Namooki roads on a charge of speeding.

Bomb Disposal Squad Called Twice in County

The bomb disposal squad at the Granite City Army Depot was called to two locations in Madison county during the last several days.

Troops searched the Sav-Mart store in Wood River Monday afternoon following a telephone threat that a bomb was in the store. No explosive was found.

A 50-pound box of dynamite wrapped in an old blanket was found south of Edwardsville Saturday night. The name of the manufacturer was on the box, and the squad said the owner could be traced by checking the serial number on the box with the manufacturer.

SIU New Mobile Museum To Tour Schools in Area

The day is past when a Museum is just a repository of dry, dusty relics of the past. Today, it is alive, mobile, workable, full of things that children—and adults—can touch and manipulate. It educates—by allowing participation and experimentation.

Thanks to the cooperation of the Illinois Central Railroad, Southern Illinois University Carbondale, is preparing to put a specially designed Museum on the road, to take it to the school children of southern Illinois right in their own school yards. This Mobile Museum is being built inside an Illinois Central

piggy-back trailer, leased at half-price to the University by the railroad for this purpose.

The 15 mini-exhibits installed in the trailer include such displays as an authentic model of the Apollo 11 spaceship which landed the first men on the moon, together with a continuous film strip on space exploration; a collection of medallions commemorating man's conquest of space; the "sky-ocean world" of "Bucky" Fuller, SIU's internationally famous engineering designer; a complete weather station with microfilm weather units students can actually use; a real laser instrument; a battery of micro-

scopes; and water pollution testing equipment.

Each display will be backed up with slide shows, films, and in many cases with projects which the teacher can use for experimental purposes following a class visit to the Mobile Museum.

"I think we will have something for every teacher to use to stimulate his or her class regardless of what the subject may be," Darrell Harrison, Mobile Museum curator, said. During the first year of the Mobile Museum project, the exhibits will deal with Science and Technology. In succeeding years, 1971 will be devoted to

Agriculture and Business, 1972 to Behavioral and Social Sciences, 1973 to Expression and Communication, and 1974 to Higher Education. These are the successive annual themes of the University's Centennial Period (1969-1974).

The interior of the piggy-back trailer has been lined with modular panels, 4 x 4 feet, each equipped with a battery of electrical outlets for a wide range of lighting and sound. The panels are designed so that while the Mobile Museum is on tour, Museum preparators back home can be working on the exhibits for the following season and have them ready for installation without delay.

Harrison said the Mobile Museum will be ready to start its tours early in 1970. A "grand opening" will be held on the Carbondale campus prior to the tour, at which time officials of the Illinois Central and University authorities will have a preview of the exhibits.

Meanwhile, Harrison will visit county superintendents within a radius of 50 miles of the Carbondale and the Southwestern campuses, explaining the Mobile Museum and its auxiliary services, and seeking their cooperation in scheduling visits on an orderly basis. Plans are in order that both schools and the general public may take full advantage of its showings.

Grandson of GC Resident Dies at VA Hospital

Funeral services were conducted at 1 p.m. today at Alton for Glen Lyle Olsen, 23, grandson of Mrs. Elsie Austin of Granite City. He died at 6:50 p.m. Monday at John Cochran Veterans Hospital, St. Louis, where he had been a patient for a month. Born in Minneapolis, Minn., he graduated from East-West Wood River high school and served in the United States Army with the 508th Airborne.

Other survivors include his wife, Rebecca Gillman Olsen; his parents Mr. and Mrs. Glen A. Olsen of East Alton; two sisters, Mrs. Sandra Pleasant of East Peoria and Mrs. Rene Ellis of Wood River; paternal grandparents, Mr. and Mrs. H. C. Olsen of Minneapolis. His brother, James, was killed in Vietnam in 1966.

Pastor to Present Program of Sacred Songs

A program of sacred songs will be presented by Rev. Jesse Roberts, pastor, at Niedringhaus United Methodist Church at 7:30 Sunday evening. Rev. Roberts, who majored in voice while in college, will be accompanied by Mrs. Russell West at the organ.

Assessor to

will remain as assessments on "second cars."

Must File Claims

Persons over 65 eligible for the \$1000 reduction in real estate values will be required to file claims for these exemptions, Barton said. In this instance, the exemption will be requested on forms that will be filed with the Madison county Board of review. The review board will apply the reduction to assessments made on a regular basis by township assessors, he said.

Barton said he expects the forms for claiming the real estate exemption will be made available by the state, possibly through the county clerk's office, early in January. New assessments of real estate begin Jan. 1 and the bill allowing the exemption states claims for the \$1500 reduction must be made by Jan. 31. Forms will not be available from the assessors of record and are to be filed with the review board and not the township assessor, he pointed out.

The law providing exemption up to \$15,000 for disabled veterans specifies that "a disabled veteran means a person who has served in the armed forces of the United States and who has acquired in connection with that service a disability of such a nature that the Federal government has authorized payment for purchase or construction of specially adapted housing as set forth in the United States Code."

The bill sets out further that "exemption for the purposes of this section only applies to such housing that is specially adapted to suit the veterans disability and for which federal funds have been used in connection with the purchase or construction and for only as long as the veteran, his wife, or unmarried widow continues to use that property for a home."

This section of the law is so restrictive that it will apply to only several cases in Granite City, Barton said. In claiming the exemption for real estate owners over 65, and in cases of disabled veterans who meet the qualifications, the property owners must renew the exemption claim each year, Barton said.

Council Ok's Bills, Payroll, Fund Transfers

A bill list totaling \$25,138, a half-month payroll amounting to \$39,524 and half-month sick leave benefits of \$1510 for employees were approved Monday night by Granite City council members.

Major item on the bill list was \$15,000 paid to Milan East Corp. for November garbage and trash collections.

In addition, the council also authorized final payment to the H. W. Lpchner Co. for engineering services on the \$3,000,000 storm water sewer project in the amount of \$17,273.

Mervin Grant, project engineer, submitted a report that easement and weather delays stalled the project 175 days, while the project was completed 150 days after the scheduled completion date. The project was to have been completed May 25, 1969, and was finished Oct. 24.

Two fund transfer resolutions were approved. The council transferred \$45,000 from sales tax to the maintenance of sewers fund and \$5010 from sales tax to the school crossing guards fund.

Notification was received from state revenue department of a payment of the Retailers Occupation tax not involved in any court suits. The payment for April through September amounted to \$139.

Hunters Asked to be 'Gentlemen in Field'

All sportsmen who want to preserve the pleasures of hunting for future generations must be gentlemen when in the field according to William L. Rutherford, state conservation director.

"The private property owner is the backbone of hunting in our state, because he is host to the great majority of the hunting public," Rutherford said. "Our land is so high priced that the state can never purchase enough acres to accommodate everyone who purchases a hunting license."

"Therefore the sportsman must extend to the landowner the common courtesy of asking permission to enter his land. This is an absolute necessity," Rutherford declared. "The hunter must remember to close all gates that he opens and he must be careful when he crosses fences, not only for his own personal safety, but to be sure that he does not break the fences down."

Dr. L. T. Young, Daughter Die in Alton House Fire

Dr. Lafayette Young Jr. of Alton and a 16-year-old daughter died early yesterday morning in a fire in which Dr. Young's wife, Doreen, suffered serious burns.

Mrs. Young, an unsuccessful candidate in the Nov. 18 election of Illinois constitutional convention delegates, was under treatment today at the burns center at Barnes Hospital.

The fire, discovered by neighbors about 2:35 a.m. yesterday, gutted a recently constructed addition to the Young home at 3003 Brown street, Alton. Firemen fought the blaze for four hours before bringing it under control about 6:30 a.m.

Assistant Fire Chief John Bond said that Dr. Young and his daughter Bette, 16, junior at Alton high school and one of five daughters, apparently were trying to escape through an upstairs bedroom window, when they were overcome by intense heat and smoke. Both apparently died of asphyxiation.

Bond said, although both also suffered burns.

Cause Undetermined Cause of the fire was undetermined, but an investigation is continuing, firemen said.

Mrs. Young, 47, made her way to the roof of a one-story wing of the building where she was found by firemen. She was treated at Alton Memorial Hospital before being transferred to Barnes Hospital.

She is serving her third term as chairwoman of the Madison County Republican Women's committee. She also represents the 23rd Congressional district on the Illinois Republican State Central committee.

Dr. Young was an internist on the staff of several hospitals and maintained medical offices in Alton. Bette was the youngest of five daughters. Her four sisters are married.

A qualified young woman serves as a cadet corporal in the WAC Enlisted Reserve, drawing \$214 as pay for a month long orientation. If after the month's training the coed does not like Army life, she is under no obligation.

At the end of a month, if a young woman wishes to become a WAC officer, she remains in the Reserve during her senior year in college, receiving a salary of \$351 each month. After graduation she will be commissioned as a 2nd Lieutenant in the Women's Army Corps, with a salary of \$6233 for the first year, and is to serve for two years. More information is available from Sgt. Morris L. Cook, 1206 Niedringhaus avenue.

Miss Heller Officer Of State Association

Miss Leigh Ann Heller, physical education teacher at Parkview elementary school, will serve for the next two years as vice-president for physical education of the Illinois Association for Health, Physical Education and Recreation.

She will serve as a member of the governing bodies of the association of more than 3000 Illinois educators and will provide leadership for professional physical educators both in and outside the state.

A native of Cuba, Ill., Miss Heller received her bachelor degree at Western Illinois University, Macomb, and her master degree from the University of Wyoming and has taken additional course work at the University of Colorado.

Prior to coming to Granite City as the physical education teacher at Frohardt grade school, she taught seven years at Downers Grove senior high school.

She has served as a cooperating teacher in the student teaching program for the University of Illinois in an advisory capacity to the developing professional preparation program at Southern Illinois University-Southwestern.

Currently completing her ten-

Specialized Services Explained to Group

Specialized Services in Granite City, Belleville and Alton was the topic discussed at the monthly meeting of the Granite City Association for Retarded on Monday evening at St. John United Church of Christ, attended by 21 members.

Guest speakers were Edward Trittshuh and Curt Kohring, who informed the group of the specialized program in general and outlined future plans.

Mrs. Georgia Cocagne, president of the local organization, announced there is no meeting scheduled for December. The next meeting is set for Jan. 26 at St. John Church, 2801 Nameoki road.

Leaves Burn at School

Firemen were called to Granite City high school at 3:35 p.m. Monday as leaves were burning at the tennis courts. The fire was out in 15 minutes.

YULE MAIL CALL

(Clip and Save)

Quad-City servicemen and women stationed around the world, whose names and addresses are being published in each issue of the Press-Record as a special pre-Christmas public service. It is suggested that readers clip-out and retain the lists as they appear. Local residents are invited to include the servicemen on their Christmas mailing list and send greeting cards, letters or packages, thereby helping to brighten the coming holiday season for military personnel who are away from their homes and families. Early mailing is recommended.

Franklin Union 1305 Nineteenth, Granite City, 19th & Delmar

A young Granite City soldier, recovering at a veteran's hospital from a serious neck wound, received July 19 in Vietnam, and four local brothers—two serving in Vietnam and two stationed in Germany—are among the servicemen listed in today's "Yule Mail Call."

Local residents, clubs, church and service groups are being urged to submit the names and addresses of Quad-City military personnel as soon as possible to the "Yule Mail Call" pre-Christmas project, enabling readers to add the servicemen and women to their Yule holiday mailing lists.

Names and addresses should be sent in by letter or post card, or the information brought on a slip of paper to the Press-Record Office, 1815 Delmar avenue.

Gift parcels to servicemen overseas may be mailed via "PAL" (Parcel Air Lift) through Saturday. Packages mailed "PAL" at local post offices travel by airmail to west or east coast receiving stations, where they are airtight on a "space available" basis to troops in Vietnam and other foreign countries.

The U. S. Post Office Department and Army postal authorities will make every effort to ensure that properly marked packages are delivered to military personnel abroad by the Christmas holidays, it was announced.

Deadlines Near
Gift packages mailed between Dec. 1 and Dec. 13 should be sent via airmail rates to guarantee delivery prior to Christmas.

Specialist Four James L. Holland, 21, is undergoing treatment and therapy at Veterans Hospital, Hines, Ill., where he was transferred recently from Fitzsimons Army Hospital in Denver, Colo. Last week, he was presented the Army Commendation Medal for "exceptionally meritorious service in Vietnam from August 1968 to August 1969."

Seriously wounded when shot in the neck in a weapons accident which occurred about 22 miles from Saigon, the youthful serviceman was due to have returned home just four weeks after he incurred the injury. At that time, he had served 11 months in Vietnam.

The penetrating wound caused him to be paralyzed from the neck down. However, it is

learned from friends of the family that Sp4 Holland is responding to treatment. He was initially hospitalized in Vietnam and Japan before being evacuated to the Colorado military facility.

4 Sons Overseas
Four sons of Mrs. Thelma L. Alfaro of Venice, formerly of Granite City, and the late Joseph Alfaro, will spend the Christmas holidays overseas this year. Two are serving in Vietnam and two in Germany. All are members of the U. S. Army.

Their mother, currently is staying in Lawton, Okla., with Mrs. Sally Alfaro, the wife of S/Sgt. Joseph E. Alfaro, 30, assisting her daughter-in-law with the couple's four youngsters while their father is in Vietnam.

S/Sgt. Alfaro, 30, is an Army veteran of 11 years service. He is serving with Battery B of the Second Artillery in Vietnam, where he arrived last spring. Also in Vietnam, Army Sgt. Pete Alfaro, 28, is serving with the 528th Quartermaster unit, who is unmarked. He recently extended his service time in Vietnam by an additional six months after arriving serving a 12-month tour of duty.

S/Sgt. George Alfaro and his wife, the former Miss Betty Wischard, daughter of Mr. and Mrs. Robert Wischard, 2232 Ohio avenue, will spend their second Christmas in Germany this year.

George, 26, also an 11-year Army veteran and a veteran of Vietnam service, presently is a member of the Signal Service Unit at Garmersheim. With Sgt. and Mrs. Alfaro in Germany are their three children.

A fourth Alfaro brother, Pfc. Elvie Dee Alfaro, 23, was assigned to the Third Infantry Division in Germany last July. He was joined there this fall by his wife, Penny.

Four brothers attended Granite City schools and were reared in the vicinity of West 23rd street and Illinois avenue. Mrs. Alfaro moved to Venice following the death of her husband, Joseph, an Army veteran of world war II.

Joseph's son, Thomas, is with his mother in Oklahoma, where they plan to remain until Sgt. Joseph Alfaro's return from Vietnam.

Those contributing names and addresses to Yule Mail Call are urged to submit the names as quickly as possible. Early publication is essential to guarantee delivery prior to the holidays.

Second Project Planned

Three outstanding area singing groups will take part Sunday afternoon in a "Gospel Sing" program for the youths of the area.

The program, which will be held at the John Cochran Veterans' Hospital, St. Louis, following a lengthy illness.

Nine of the 11 youngsters are under 15 years, including five who are five years or less. The group includes: Faye; twins, Dawn and Diane, two years; Timothy, four and Sherry Lynn, five.

Friends of Mrs. Lynn, who arranged with the Cayuga Temple pastor to sponsor the "Gospel Sing," also are planning a two-day rummage sale next week to help raise money for the children.

Mrs. Arlene Tadlock, 3602 Cayuga street, today announced the event will take place Friday and Saturday, Dec. 5 and 6, at the Granite City Jaycees clubhouse, 1855 Poplar street. The sale will be held from 10 a.m. to 6 p.m. on both days.

Mrs. Tadlock, assisted by Mrs. Theresa Naylor, 2288 South avenue, presently is collecting clothing, household furnishings and other items for resale during the project. Proceeds will be added to the Welty Children's Fund to which the public also may contribute at the local bank.

Any Quad-City family wishing to donate items for the rummage sale is asked to call, for information of pickup services, Mrs. Tadlock at 877-6816, or Mrs. Naylor, at 877-6789.

Sunday Services at Christian Scientist
"Ancient and Modern Necromancy, alia's Mesmerism and Hypnotism, denounced" is the subject of the lesson-sermon to be read at the 10:45 service of the First Church of Christ, Scientist, 2580 Delmar avenue, on Sunday.

A passage from Science and Health with the Key to the Scriptures by Mary Baker Eddy also will be read.

Three Radar Arrests
Three drivers were issued speeding tickets Monday as traffic division police operated a radar unit. Ticketed were Thomas E. O'Connor, Collinsville, at 2500 East 23rd street; Thomas L. Cass, 1735 Rhodes street, at 1700 Madison avenue; and Larry D. Metcalf, 1728 Cleveland blvd., at 2500 Madison avenue.

High Ranking Military Leaders to Visit Here

Six major area industrial firms and the office of the mayor of St. Louis will be visited next week by a group of 14 high-level military officers and federal civilian executives currently attending the Industrial College of the Armed Forces, Washington, D. C.

Arrangements for the group's visit were made with Capt. R. S. Sullivan, commander of the Defense Contract Administration Services Region, St. Louis. Navy Commander Paul S. Johnson is the local coordinator for the group.

Firms being visited are Ralston Purina Co., McDonnell Douglas Corp., Emerson Electric Co., General Steel Industries, Inc., Monsanto Co. and Granite City Steel Co.

The field trip is being conducted by the Industrial College as part of its intensive 10-month resident course of study in management of national resources, management of the national security and management of the Department of Defense. The Industrial College is the nation's senior joint military education institution in the field of defense management.

Sixth-Madison Crash
A car driven by Mary Waumbach, 1821 Harris street, was damaged in the right front and rear end door in a collision at Sixth street and Madison avenue about 11 a.m. yesterday. Officers said a car driven by Richard D. Marshall, Cahokia, was backing from angle parking at the intersection and backed into the Waumbach car while it was stopped for the red light. The Marshall car was undamaged, police said.

Winter Injury to Turf

Winter injury to turf is caused by the crown of each plant being killed by the frost. If you scrape soil from the crown, you will find a small hole. This is a chance of root injury as you mound the soil as well as cold injury from a mid-winter freeze up.

Light pruning to leave 15-18" tops will remove some of the protruding shrubbery and prevent wind whipping and loosening of the root system.

In early spring the soil must be covered with straw or hay as the danger of severe frost is passed. If new sprouts have begun to develop you are certain that the plant is off to another great season.

Tree Roses require special wrapping to save them from winter kill. As the tops become frozen, wrap the graft and lower portion of the branches with straw and cover with burlap.

A loose wrapping like straw and burlap provides reasonable insulation as well as continuous ventilation.

Tree roses with turban can easily survive the St. Louis winter climate unless temperatures well below zero occur. Temperatures lower than 10 below zero require burying the entire plant to provide extra protection. Unless you create a small mountain of soil another way is loosening the roots on one side of the plant and laying the plant along the ground. Carefully cover the exposed roots as well as the graft area with soil and mulch.

Roses require fall mulching to protect tender crown from fluctuating temperatures and cold winter blasts.

All fall-flowering garden roses are in full growth until cool fall weather gradually causes them to ripen. The graft area at the crown always remains more tender than the top or the roots and can be easily injured by an early winter freeze or a severe cold snap.

Fall mulching should be delayed until the plants are frosted. Any material which protects the crown is satisfactory but garden soil is frequent-

MATRONS CLUB MEETS

The Jolly Matrons club met Tuesday with Mrs. Margaret Presnell in Collinsville. The hostess served lunch, and a business meeting was held.

Mrs. Marlene Serini will hold the next meeting in her home, 1827 Third street, in two weeks. Names were drawn for Christmas gift exchange. Games were played, prizes being awarded to Mrs. Serini.

Others taking part in the afternoon's activities were Mrs. Margaret Grams, Mrs. Presnell, Mrs. Helen Thiele, Mrs. Barbara Wood and Mrs. Serini.

HERE FROM EAST COAST

Mrs. Joan Graklanoff of Springfield, Va., is currently visiting her mother, Mrs. Lenna Williams, her parents-in-law, Mr. and Mrs. Joseph Graklanoff, and other friends and relatives in the Quad-City area.

Prior to her visit here, Mrs. Graklanoff spent two weeks in the Tampa Bay area of Florida, where her husband is temporarily doing work for MacDill Air Force Base. He will fly here to spend the Christmas and New Year's holidays with his wife and other relatives.

Shortly after the holidays, they will return to their home near Washington, D. C. The Graklanoffs were residents of Granite City until two years ago.

CHRISTMAS PLANS BY QUEEN ESTHER CLASS

Miss Alpha Lassen was hostess to the Queen Esther class of the First Baptist Church in her home, 1829 Third street, Monday evening.

Mrs. Velma Rideout presented the devotional, "Let Us Thank God," and also led prayer. The 10th chapter of Psalms was repeated in unison by the class.

Thank you letters were received from the Carmi Baptist Children's Home for clothes the class had sent. For Christmas, the class will send clothes, toys and games to a girl there.

Plans were made for the annual Christmas party on Dec. 16 in the home of Mrs. McManaway, the class teacher. Secret pal gifts will be exchanged, with identities disclosed. Names will be drawn for the next year's secret pal exchanges.

Games were played during a social hour, and a Thanksgiving basket was prepared to be given to a shut-in couple.

Those responding to roll call by reciting a Scripture verse on giving of thanks were Mrs. Verna Willman, Mrs. Gertrude McManaway, Mrs. Lucille Yeager, Mrs. Velma Rideout, Miss Nora Rogers and the hostess.

Refreshments were served and the group was dismissed with prayer by Mrs. McManaway.

Harvey Kief, cubmaster of Pack 17, called the pack to order Monday night and welcomed the 56 persons attending. The pack is sponsored by the Marshall school PTA and meets at the school.

Den One opened the meeting with a flag ceremony led by Mrs. Athled Bugg, den mother. Participating were Randy Peach, Tippy Bugg, Dan Kief, Buddy Watkins and Bryan Gavin.

Cubmaster Kief introduced the following new members and their parents: Bryan Gavin and Mr. and Mrs. Thomas Gavin; Kenneth and Kevin Harrison; Ricky Watkins and Mrs. Arlene Watkins; James Stockwell and Mrs. Dortha Stockwell; Lee Sinn and Mr. and Mrs. Corvin Sinn; and Mrs. Joan Duke, mother of Mark Duke, who was unable to be present.

The "cubby award" was won by Dens One and Three, which used for parent attendance honors. A trophy was presented to Den Three.

Parents were invited to view a display table, which held items the boys had worked on during the past month. Included were clothespin dolls, dressed as each cub's favorite character from American folklore, in keeping with the theme for the month. Also on display were cans decorated with crepe paper to resemble birds, a bean bag game and other articles.

Kief reminded those present of the need for a Webelos leader for the 10-year-old boys. Volunteers may contact him at 878-5353.

Plans were discussed for the pack Christmas party at 7 p.m. Dec. 17 at the school. A family pot luck supper will be served and Santa Claus will distribute gifts to all children. 10 and younger. Cub scouts will hold a gift exchange. Den mothers will contact parents to complete plans for the evening.

The cubmaster commended members of Den Three for their correspondence with George Yeager, who underwent major surgery. Mrs. Yeager is the den mother.

Den Two presented a play, "Gold Rush," directed by Mrs. Pat Shable, den mother. Scenery included a backdrop which the boys had painted. Props featured were a stagecoach made by Mrs. Harrison and Mrs. Sinn and horses made by the boys. Talking part were Greg Colvott, Kevin and Kenneth Harrison, John Shable, Dallas Nun and Lee Sinn.

Awards presented were: Bobcat, Kevin Harrison, Kenneth Harrison, Lee Sinn and Bryan Gavin, who also received a Webelos neckerchief; Bear awards, Dan Kief; silver arrow points, John Shable and Greg Colvott; recruiter stripes, Tippy Bugg and John Shable; dinner stripes, Lee Sinn; and assistant dinner stripes, Kenneth Harrison.

A "space derby" was held, with Bob James in charge.

Judge was Harold Groves.

First prize for the fastest space ship was won by Tippy Bugg, and first prize for the best looking entry went to John Shable. James presented the winners and the following entrants with ribbons: Randy Peach, Buddy Watkins, Ricky Watkins, Bryan Gavin, Lee Sinn, Mark Jones, George Yeager and Dan Kief.

Refreshments were served by Den Three mothers, Mrs. Mary Leager, Mrs. Connie Clark, Mrs. Duke and Mrs. Watkins. Assisting their mothers were Alice Yeager, Christi Clark and Karen Yeager.

HOLIDAY PLANS MADE BY SENIOR HIGH GROUP

Marilyn Bess conducted a business session Sunday night of the Senior High Fellowship of Nameoki United Methodist Church.

Final plans were made for a Christmas party Dec. 28 from 5 to 7. Plans were discussed to go Christmas caroling with the Junior High Fellowship Dec. 22.

Mr. and Mrs. Roger Tracy and Rev. William Foster were the sponsors present. Members attending were Ed Weston, Bob Skaggs, Sharon Bono, Debbie Bunch, Harry Smith, Patty Lathrop and Joan Slay. Guests were Debby Baker, guest of Marilyn Bess, and Mike Few, guest of Harry Smith. Sack lunches provided the evening's refreshments.

Practice was held after the meeting for a play, "Inside the Inn," to be presented at the church's Christmas program.

JOINT HOLIDAY PARTY FOR YOUTH FELLOWSHIPS

The Christian Youth Fellowship met at Central Christian Church Sunday evening to plan a holiday party.

Fellowship groups from Hope Lutheran Church and St. John's Lutheran Church will join the CYF members for a Christmas party in the fellowship hall Dec. 13. Committees are at work completing plans for the event, which is an invitational dance.

Jim Tinsley led the group in the Lord's prayer and Joe Berkbigler was in charge of the worship.

Guests welcomed were Judy Dubler, Vicky Fettermore and Gerrie Pinkerton.

Members present included Alma Cassy, Diane Turner, Barb Cain, Donna Cain, Duane Parrish, Greg Walker, Laura Hanson and Jim Turner. Sponsor of the organization is Jim Ash.

Following the meeting, the young people adjourned to the home of Joe Berkbigler for a recreation period. The CYF will meet Sunday at 6:30 p.m.

EVENING CIRCLE MEETS AT NAMEOKI CHURCH

The evening circle of Nameoki United Presbyterian Church met Tuesday night at the church, with the circle chairman, Mrs. Marliou Lybarger, presiding. The chairman gave the devotional on "Thanksgiving" and led opening prayer.

CLUB CONTRIBUTES TO TREE OF LIGHTS

The Blahs club held its meeting Monday night at the home of Mrs. Zelma Hart of Jefferson avenue, Venice.

Plans were made to donate 25 to the Salvation Army's Tree of Lights and to hold the club Christmas party on Friday, Dec. 12.

Games were played, with a prize awarded to Mrs. Donna Naele, and refreshments were served by the hostess to Mesdames Mary Ballentine, Velma Williams and Grace Hornmann.

Missionaries, prayer of the day and the Fellowship of the Least Coin were given by Mrs. Mary Stegle.

Announcement of church meetings was made. The executive board will meet at 7:30 p.m. Dec. 2 at the church, and an associational meeting will take place Dec. 8 at 6:30 p.m.; this meeting will be a pot luck dinner for all three church circles, and officers for the new year will be installed.

Mrs. Lu Pyle presented the lesson for the evening, "Covenant of Faith and History."

Mrs. Edith Arbogast, hostess, served refreshments to those named and Mesdames Coramane Bent, Jene Lybarger, Bea Pyle, Irma Taylor and Louise Thompson. The next evening circle meeting will be Dec. 30 at the church.

THANKSGIVING VISITOR

Mr. and Mrs. James Ellington and their son, Bill, 3139 Rodger avenue, have as their houseguest Mrs. Ellington's mother, Mrs. Marguerite Boaz of Mayfield, Ky. She will be with the local family throughout the Thanksgiving weekend.

Mental Health Issues Discussed by Boards

Little progress was reported after a meeting last night at the Quad-Cities Mental Health Center on the Madison County Mental Health (788) Board's demand that the local board discharge the executive director. Members of both boards participated along with members of the County Board of Supervisors, including County Board Chairman Harold Landolt. Harold Thomas, local board president, answered points raised previously by 708 Board members, and the latter group gave its comments on the various points.

The discussion focused attention on the need for a written contract outlining the roles, duties and limitations of the two mental health boards.

Arson is Suspected In GC Garage Fire

An arson investigation is under way following a blaze in which flammable liquid was

thrown on the rear of the garage of Charles Mizerski, 2869 Madison avenue, about 7:30 p.m. Tuesday. Firemen, who were at the scene about 10 minutes, set the loss at \$35. Mizerski told firemen his auto had been stolen from the garage about two weeks ago. Witnesses last night said they saw three youths running in the alley.

Junior College District Ok'd for Section of County

Voters in sections of Madison county and Jersey, Calhoun, Macoupin and Green counties approved the establishment of a junior college district with a tax rate of 25 cents per \$100 assessed valuation by a close vote of 8235 for and 7454 against.

The Quad-Cities area, which turned down the proposal for the Lewis & Clark junior college district in the election about a year ago, was excluded from Tuesday's voting. The new junior college district is to serve 17 school districts in the four counties.

An election for the junior college board of trustees is to be conducted in February.

Deer Hunting Quotas Reached in 47 Countries to Date

Deer hunting permit quotas have now been reached in 47 countries, Illinois Department of Conservation officials reported today.

The quotas in Lee and Henry counties were reached Nov. 14. Other northern counties previously filled are: Boone, Bureau, Carroll, Grundy, Jo Daviess, LaSalle, Marshall, McHenry, Ogle, Putnam, Rock Island, Stark, Stephenson and Whiteside.

In central Illinois permits are no longer available in Adams, Fulton, Hancock, Knox, Logan, Macoupin, Mason, Mercer, Peoria, Pike, Schuyler, Tazewell, Warren and Woodford counties.

Southern counties now closed are Clinton, Fayette, Gallatin, Hamilton, Hardin, Jackson, Jefferson, Johnson, Marion, Monroe, Pope (north), Randolph, St. Clair, Saline, Union, Wayne and Williamson.

Permits may still be obtained for the following northern counties: DeKalb, Kendall and Winnebago. Still open in central Illinois are 12 counties: Brown, Calhoun, Cass, Greene, Henderson, Jersey, McDonough, Mendon, Montgomery, Morgan, Sangamon and Scott.

Southern counties where permits are still available are Alexander, Bond, Franklin, Madison, Massac, Perry, Pope (south), Pulaski, Washington and White.

YMCA Wrestling, Gym, Basketball Classes Planned

Wrestling, gymnastics and basketball classes for youths will begin at the Tri-City YMCA next week.

A boys' and girls' beginning gymnastics class will meet from 4 to 5:15 p.m. on Tuesdays. The class will involve tumbling, trampoline, gym horse, balance beam, parallel bars and rings. Cheryl Graham and Pam Haynes are the instructors.

George Nemeth will conduct beginning wrestling classes for boys on Mondays and Wednesdays from 4 to 5:30 p.m. and for Saturdays from noon to 2 p.m. A competitive team will be formed if enough interest develops.

Boys' junior high basketball players will meet Saturdays from 9 to 10 a.m. If interest warrants, a team will be formed.

To enroll or to obtain more information, the YMCA youth department can be contacted at 876-7200.

Decide League Grid Title on Thursday

The Southwestern Conference grid championship will be decided when Belleville West meets East St. Louis at 10 a.m. Thanksgiving at Parsons field in East St. Louis.

The Maroons have a 5-0 conference mark while East St. Louis is 4-1. Since the annual Turkey Day meeting began in 1916, the East St. Louis Flyers have won 41, the Maroons have won ten and there have been three ties.

3 High School Quintets To Open '69-70 Season

(Additional Picture on Page 10)

With hopes springing eternally—and just as high as the rebound-conscious Quind—City high school players—the 1969-70 hardwood season will begin this weekend.

The Madison Trojans will play at Wood River at 8 p.m. Friday, the Venice Red Devils will visit Dupo at 8 p.m. Friday and the Granite City Warriors will host Peoria Richwood at 8 p.m. Saturday.

GCHS, coached by Donald DeCording, is a member of the Southwest Conference, MHS, with Larry Graham as the new mentor, is a member of the Midwestern Conference. Venice, coached by Bill Ohlendorf, plays independently.

No. 2, Will Try Harder
Last season, Granite City (9-3) topped Collinsville (8-4) but saw Edwardsville (10-2) take the title; the Warriors were 2-6 overall. Madison, 9-15 for the season, finished in a three-way tie for third place in its conference. Venice won 12 games and lost 13.

Boostered by an all-senior lineup, Graham reports the Trojans "have a good attitude and are responding well. The season will depend on our shooting ability. We'll run as much as possible." Host Wood River has four starters returning from 1968-69.

The Madison lineup: Center Joe Douer 6-2, Forwards Oscar Hagler 6-4 and Tom Noel 6-3 and Guards Charles Pugorlic 6-1 and John Ervin 5-10. Doug Griggs is a possible starter.

Venice downed Dupo in regional play last year after losing to it in the season opening game by 13 points. Ohlendorf notes, "This should be a rebuilding year for Dupo, but they're a large school and can fill in well for players lost through graduation. We could be tough if several of our players progress well."

Red Devil Prospects

Red Devil starting candidates are Sophomore Douglas Johnson 5-10 and five seniors, Fessor Gray, Andrei Johnson, Jim Ohlendorf, Ramon Moser, Robert Coleman and Richard Gonterman.

Central Road Losses

Central junior high basketball teams lost Tuesday to Emge at Belleville. Drew Taylor with seven and Sonny Hankins with six tallied all but one of Central's points in the seventh grade 30-14 defeat. A 44-23 eighth grade game saw Gary Watkins score nine and Mike Martinez seven.

Look what's happened since Maverick was introduced in April.

Your Ford Dealer's holding the price line. Maverick. Still \$1995*

When it comes to prices, you know what's going on. And what's going up. But there's one thing still going straight. Maverick. It holds the line. And its small price makes it America's biggest car value. Here are the facts about our Simple Machine. It's simple to drive. You get the passing power of a 105-hp Six. Great gas mileage too. It's simple to park. Maverick can turn in a tighter circle than the leading import.

It's simple to service. Maverick is easier and less expensive to maintain than an economy import. It needs fewer oil changes, fewer chassis lubrications. It's simple to repair. You can do many routine maintenance jobs yourself.

It's simple to own. Maverick saves you money when you buy it. And when you drive it. That's the reason our small car is going over big. Maverick lets you stop worrying about rising costs. Come see the Simple Machine at your Ford Dealer's now.

For more information about Maverick see your Ford Dealer or write: Maverick Catalog, Dept. N-4, P.O. Box 1003, Dearborn, Michigan 48121.

*Ford's suggested retail price for the car. White sidewall tires are not included. They are \$25.00 extra. Since dealer preparation charges (if any), transportation charges and state and local taxes vary, they are not included. Not to be used as a basis for comparison with other vehicles. 'Bowling Sweepstakes' to Aid Jaycee Yule Projects

The tenth annual "Bowling Sweepstakes" sponsored by the Granite City Jaycees will take place at Bowland Lanes and Brunswick Tri Mor Bowl starting Saturday, Jan. Langenstein, Jaycee project chairman said this week.

The event, which runs through Sunday, Dec. 7, is open to all league members who bowl at the two local facilities. Those entering the sweepstakes by contributing a \$1 entrant's fee are eligible to compete for cash awards in either the men or women's division.

Winners will be determined on a handicap of 70% of the difference between 210 and the bowler's actual average. Langenstein explained. Scores bowled in regular league competition

during the contest nights will be used in tabulating the winning bowlers.

Prize money for both men and women is set at \$100, first place; \$50, second; \$25, third; \$12.50 high scratch single; and \$12.50, high scratch three series.

Local Jaycees will register sweepstakes participants immediately before league competition each evening. Langenstein said.

Proceeds will be used to continue civic programs supported by the local young men's service club, including the children's annual Christmas party at St. Elizabeth Hospital and a pre-Christmas shopping trip for youngsters from disadvantaged families.

'Spigot Not On,' Ogilvie Tells Education Board

Passage of the state's income tax "does not turn on the spigot," Gov. Richard B. Ogilvie told an Illinois conference on higher education recently.

"We have already started making the first cut in budget requests for the next fiscal year, and it is apparent that there will not, and should not, be sufficient funds for all requests," the governor said all state budget requests will be reviewed "from top to bottom."

Ogilvie did not mention controversy surrounding the building of a president's home at Southern Illinois University, but he told the meeting:

"I want you all to know that George Clements and James Holderman have my confidence and my full support." (Clements is chairman of the Board of Higher Education and Holderman executive director).

"Strong budgetary management is the board's function, and I am sure that Clements and Holderman intend to discharge their obligation fully."

St. John Lutheran Thanksgiving Service

Thanksgiving day worship services will be held at St. John Lutheran Church Thursday at 9 a.m., when a "table of love" will be featured.

Following the sermon, which will be delivered by the pastor, Rev. Samuel Boda, members of the congregation will be invited to this special table, pew by pew, and leave there gifts of canned food and staples for the needy. These are to be used later to fill Christmas baskets for families in need in the community. Names of the families are to be supplied by Protestant Welfare.

A World Relief drive for clothing also will begin on Thanksgiving Day at the church. Members will be encouraged to donate clothing, blankets, and similar items for the world's needy. These will be channeled through Lutheran World Relief (which works with Church World Service of St. Louis) and sent wherever the needs are greatest.

Serving as organist for the Thanksgiving service will be Miss Phyllis Boda, a student at Concordia Teachers College, River Forest, Ill. The public is invited to attend.

Nameoki Twp. Assessor Salary Raised to \$7000

An increase of \$2500 per year in the annual salary of Nameoki township assessor Joseph Cohan under a new statutory salary schedule was approved by the Nameoki town board in regular meeting Monday night.

The board, without discussion, approved a motion to increase Cohan's salary from \$4500 to \$7000 on the basis of the township's population of 23,700 as fixed by the 1960 U.S. census.

Town Clerk Louis E. Whitsell said the new salary figure was established under that part of the statutory schedule providing a township assessor salary of from \$5500 to \$8000 in townships having a population of 18,000 to 25,000.

Whitsell pointed out after the meeting that the assessor's salary is certain to be raised again next year following the 1970 U.S. census because of the township's extensive growth in recent years. The schedule calls for a salary of from \$7500 to \$10,000 in townships with a population of 25,000 to 40,000.

The \$7000 annual salary fixed by the board Monday night includes travel and expense allowances, the board said.

Action on the salary issue was the only major business to come before the board in which Whitsell served as acting chairman in the absence of Harry Briggs, township supervisor, who is in Chicago.

The board made a matter of record a communication from Township Atty. William A. Schooley pointing out that under Illinois House Bill 2221 the township highway commissioner must obtain approval of the county superintendent of highways on all contracts for road work that exceed \$1000.

The bill also requires approval of the county highway superintendent of purchases of construction equipment in excess of \$500, the communication said.

Printed Forms Replaced

Whitsell reported that a supply of health forms which had been printed for the township without a union label has been replaced by the printer with forms bearing the label which, Whitsell said, had been omitted accidentally. Briggs had objected to using forms not bearing the label.

An offer to buy an old pickup truck owned by the township, but now in disuse, for \$25 was received from Richard Sutton of Mitchell, but the board took no action pending possible receipt of other offers. The 1956 model half-ton truck was painted white by vandals during the Halloween season.

Whitsell informed the board that a new underground gasoline tank for the highway department garage has been delivered but the township has been unable to obtain any offers of cost for installation. As a result Township Highway Commissioner Charles Hanks plans to install the tank himself, Whitsell said.

The board approved town fund bills of \$593, road and bridge fund bills of \$438 and special hard road fund bills of \$19,321.

Local Collector Displays Antique Lamps at Museum

Several lamps and lighting devices of bygone days are temporarily on exhibit at the Madison County Historical Museum, located at 713 North Main street, Edwardsville, to view the display as well as tour the reference library, Indian artifacts and many other historical items.

The public is invited to visit the Museum, located at 713 North Main street, Edwardsville, to view the display as well as tour the reference library, Indian artifacts and many other historical items.

Hours are Wednesday and Friday, 9 a.m. to 5 p.m.; Saturday, 1 to 5 p.m.; and Sunday 2 to 5 p.m.

This year, the museum will be closed on days preceding Thanksgiving, Christmas and New Years, as well as on the holiday. It will open again on Fridays following the holidays.

A. O. Smith Meter Division New Product

A product manufactured by A. O. Smith Corporation's Meter Systems division in Erie, Pa., has been named one of the 100 most significant new technical products of the year by Industrial Research Inc.

The product, a device for the continuous measurement of static electricity in flowing liquid products, was jointly developed by A. O. Smith and American Oil Co.

Named the Static Charge Sensor, the product permits for the first time continual field measurement of static electricity in liquids flowing through pipes. Previously, sophisticated laboratory methods and equipment have been required.

Knowledge of the amount of static electricity in flowing petroleum and chemical products is essential to prevent explosions. Another of the Meter Systems division, the Static Charge Reducer, is used to reduce the amount of static electricity in flowing fluids.

New Pastor to be Installed Sunday At Hope Lutheran

The installation of Rev. J. Louis Oetting, formerly of Jackson, Mich., as pastor of Hope Lutheran Church, will take place in a special service Sunday evening at 7 o'clock.

Participants will include Rev. Arvin Twietmeyer, Circuit counselor, who will deliver the address; Rev. Herman F. Neuberger, president of the Southern Illinois District of the Lutheran Church-Missouri Synod, performing the rite of installation; Rev. Samuel Boda, vacancy pastor, serving as liturgist; and Rev. Gilbert Busarow of Holy Trinity Lutheran Church and Rev. Alvin Kollmann of Good Shepherd Lutheran Church, both of Collinsville, reading the Scripture and charges to both the pastor-elect and the congregation.

Pastors from other Lutheran churches in the area and the elected Church Council of Hope Church, will take part in the "laying on of hands" portion of the service.

Special music will be furnished by the church choir. Albert Froemling, the choir of Hope church under the direction of Mr. Froemling; and Mrs. Alice Land, soloist.

Rev. Oetting comes to Granite City after a nine-year ministry at Redeemer Lutheran Church, Jackson Heights, Mich. He is a graduate of Concordia Seminary in St. Louis and also studied at Valparaiso University in Indiana; Wartburg Seminary in Dubuque, Iowa; and Union Seminary in New York. During his Michigan pastorate he served as counselor of the Ann Arbor Circuit and as vice president of the Michigan Lutheran Synod.

Mrs. Oetting, a registered nurse, is a native of Rock Island, Ill. They have four children whose ages range from two to seven years.

Arnold Kueker, chairman of Hope Church, and Phil Hogan, chairman of the board of elders of the church, are being assisted by Mrs. Emmert Dannenberg, Mrs. Robert Eddy, Mrs. Walter Finkle, Mrs. Dolmar, Frech, Mrs. Hogan and Mrs. Robert Turner, in preparing for the installation service and reception which will follow immediately afterward in the church parish hall.

Gives \$1000 Answer For \$6000 Question

The confusing problem of salary adjustments for Illinois House members who change positions in mid-term has been answered by Illinois Attorney General in an opinion to State Auditor Michael J. Howlett.

The question grew out of the recent election of State Rep. Jack E. Walker as House Speaker to replace ex-Speaker Ralph T. Smith, and resultant changes in other leadership posts.

Under Illinois law, speaker receives \$8000 per year in addition to the regular salary of \$12,000, the Majority leader receives \$5000 for his leadership duties and the assistant majority leader gets \$4000 extra.

When Walker was elected speaker, the question arose as to whether he was to receive the full \$8000 salary for the speaker's post, although he already had been paid \$5000 as former majority leader. Scott ruled that he should receive \$1000, making up the difference in the top salary.

At the same time, Scott ruled that the new majority leader, Lewis V. Morgan Jr., should receive the full salary of \$5000 and similarly the new assistant majority leader, Raymond E. Anderson, is allowed \$4000 for the 1969 year.

Driving Charges Filed

Careless driving charges were filed at 3:10 p.m. Monday against Harold L. Walker, 3013 Edwardsville road, at 12:20 p.m. Monday against William Morgan, 3024 Marshall avenue, at 12:10 a.m. Monday against Joe T. Whit, 1229 Edwardsville road, all at 30th street and Madison avenue.

MORE ABOUT

Thieves 'Peel'

ported to Madison police at 8:30 p.m. Monday by Annette Stultz, 15 Garesche Homes. Police said the theft apparently occurred between 5 p.m. and 9:30 p.m. while the victim was absent.

Apartment Burglary

Burglars broke into the apartment of David Lamborn, 1021 Grand avenue, Madison, and stole a 12-inch portable television, a clock-radio, a tape recorder and a quantity of records, Madison police reported at 5:30 p.m. yesterday.

Entry was gained by pushing open a door from an adjoining vacant apartment police said. The theft occurred between 10 a.m. and 5 p.m. yesterday while Lamborn was working, officers reported.

Burglars attempted to break into the Siderer Supply Co. building, 1101 Nineteenth street, it was reported at 6:20 a.m. Tuesday. A small window in a door was opened but a second lock remained intact and there was no entry.

Judith Meyer, 4339 Lake drive, reported at noon Tuesday that her dark gray wallet containing \$14, cards and papers was stolen from her locker at Granite City high school.

An auto stereo player valued at \$125, twelve tapes worth \$75 and two speakers valued at \$12 were stolen from his car while it was parked on the Laclede Steel Co. parking lot at Madison, Dan Bathon, 2419 Benton street, reported to Madison police at 7:10 p.m. Monday. Bathon told officers his car was locked and was broken into to remove the items.

A white 16-foot fiberglass boat with blue seats and a 100 horsepower motor were stolen during the night from the home of Dennis Rigby, 2704 Cayuga street, he reported at 6:50 a.m. Tuesday.

John Essington of 1658 Third street reported to Granite City police Tuesday evening that his wallet with \$2 was stolen while he was playing basketball at the park district community center.

A new battery which he had just installed was stolen from a 1969 auto owned by Vernon Ollis, 2033 Washington avenue, while the car was parked on the Granite City Steel Co. lot at 16th street and Madison avenue, he reported at 11:55 p.m. Monday.

District Official to Visit GC Kiwanis Club

Ed Moore, president of the Kiwanis Club, announced at the club's Monday night dinner meeting at the Rose Bowl that the local club will be visited by the Kiwanis Lt. Gov. Homer Runge next Monday.

Peter Jellen, Herbert Schanot and George Groves were elected as co-chairmen to make the arrangements for a "Ladies Night" dinner meeting set for Monday, Dec. 15, at the Rose Bowl starting at 6:30 p.m. The major emphasis program committee announced that pamphlets have been ordered concerning the drug abuse problem for use at the workshop to be held by area public school officials at SIU-SW campus on Jan. 10. Assisting with the program will be members of the Granite City Kiwanis Club.

The purpose of the workshop will be to inform area educators of the nature and extent of the drug abuse problem in the general area and to organize a program to combat it.

Obituaries

IC Con-Con Delegates Favor Lower Voting Age

Delegates to the Illinois Constitutional Convention opening in Springfield next month will vote on a variety of proposals ranging from lowering the voting age in the state to 19 years to creation of judicial commissions to appoint judges and election of the governor and lieutenant governor on the same ballot in non-presidential years.

The proposals are among several dozen recommended by Illinois Jaycees participating in a three-day model Constitutional Convention which concluded in Springfield earlier this week.

About 100 Jaycees from chapters throughout the state attended the convention and passed resolutions in much the same way the 116 delegates to the actual Con-Con will work when the latter opens Dec. 8.

Taking part in the model Con-Con was Robert Bischoff of the Granite City Jaycees, who served as chairman of the Education committee.

The Jaycees plan to submit their proposals to the state convention.

The proposal to lower the voting age to 19, the initial measure enacted by the Jaycees convention, survived two amendments, one which would have lowered the age to 18 and another keeping the voting age at 21.

General feeling was that 19 year olds, in most cases out of school for one year, have gained the practical experience to cast intelligent votes.

Another suggested revision changed the residency requirements for voters. The current Constitution, written in 1870, requires voters to live in Illinois for one year.

Weight brackets have been revised.

Contenders include, listed by maximum weight:

98—Bruce Miller, junior, and Chris Harizal, sophomore.

107—Lenny Fuchs, sophomore, and Mike Garland, junior.

115—Lenny Wilson, senior.

123—Al Bridgeman, senior, and Keith Rogers, junior.

130—Tom Eaton, junior, and Faye Burman, senior.

137—Cliff Yeager, junior, and Roger Hayes, senior.

145—Frank Fowler, senior.

155—Frank Meyer, senior.

165—Bruce Evans, senior.

175—Steve Gatz, senior.

185—Mark Miskern, John Kearney and Dan Greenwald, seniors.

Heavyweight—Dan James, senior.

Park Instructional Basketball Saturday

The Granite City park district's basketball instruction program for third through sixth grade boys will begin Saturday.

Boys may report to Nameoki Prather, head coach, at the Coolidge junior high. Third and fourth graders will meet from 9 to 10:30 a.m., fifth and sixth graders will meet from 10:30 a.m. to noon.

Gator Cage Setbacks

Grigby cagers were beaten Tuesday at Edwardsville. Rick Bohmstedt tallied 21 in the eighth grade 73-38 loss and Wade Huff and Greg Gavin each scored six for the Gators in a 35-29 seventh-grade defeat.

Chiefs Outscored

Parthier lost two basketball games Tuesday on its home court to Webster of Collinsville. Scott Harrison scored 15 in the ninth grade 73-39 loss. The eighth grade score was 42-35.

for one year, in their county for 90 days and the election district for 30 days.

The Jaycees' proposal changes the state and county residency to 60 days each and leaves the local district residency at 30 days.

Revenue proposals voted and approved, included deletion of personal property taxes and tax on food and drugs and referral of large tax increases, over 2%, to the voters for approval.

Changing the election year date for the governor and lieutenant governor was recommended "to prevent a governor from being elected or defeated on the co-tails of the presidential candidates in his party."

The Jaycees also felt the governor and lieutenant governor should be elected as a team to prevent election of a governor of one political party, and the acting governor, when the executive is out of the state, from another party.

Creation of judicial commissions to select judges in the state and laymen, would appoint judges by a commission consisting of equal numbers of laymen members of the Illinois bar associations and deans of Illinois law schools.

Other commissions, composed of equal numbers of attorneys and laymen, would appoint local judges.

In both cases, judicial review commissions would be formed to review the records of judges and have power to remove appointees from the bench.

Other survivors included grandparent, Mr. and Mrs. Walter Tessler and Mr. and Mrs. Harry C. Grenawalt both of East St. Louis.

Funeral services will be conducted at an East St. Louis funeral home at 2 p.m. Friday. Interment will be at Holy Cross Cemetery, French Village.

Jr. Coin Club to Hold 1st Meeting Saturday

A Junior Coin Club for boys and girls 11 years and older, who are interested in coin collecting, will hold its initial meeting from 1:30 to 3 p.m. Saturday at the Wilson Park office, it was announced today.

The newly-organized club, which is sponsored by the Granite City park district, will be guided and advised by members of the Land of Lincoln Club.

Members who will meet with the adult leaders on alternate Saturdays, at the same time.

Husband Missing: Wife Suspects Foul Play

Mrs. Lucrécia Fields, 449 Lakeview drive, has asked sheriff's deputies to help locate her husband Gerald Fields, 32, who has been missing since 11 p.m. Sunday when he last was seen at the St. Louis Downtown Air Park on Route 40 near Collinsville.

Fields reported her husband's disappearance to the sheriff's office today and told deputies she suspects foul play. She said her husband is about five feet, eleven inches tall, weighs about 160 pounds and is of medium build.

Fields was wearing a dark blue shirt, white levis, black boots and a tan sheepskin coat when last seen, she told officers. The said he has the word "Jerry" tattooed on his left arm and he was driving a 1967 light blue auto with Colorado plates.

Ambassador Speaks as Speaker Becomes Consul

Speaking in St. Louis Monday, Dong Jo Kim, Korean ambassador to the U.S., said he is hopeful Nicholas P. Veeder will be successful in his bid for an "arch of friendship between our two peoples."

Board Chairman of Granite City Steel Co., Veeder is the new honorary consul in St. Louis of the Republic of Korea.

Kim said his country is enjoying rapid economic expansion, with imports rising from \$30 million in 1969 to \$500 million in the last year.

Travelers Will Hold Yule Dinner Dec. 14

The annual Christmas dinner of the Granite City Travelers Club will be held Saturday, Dec. 14 at 5:30 p.m. Dec. 14 at Sunset Hill Holiday Inn at a monthly meeting.

Monday night, the Granite City Travelers Club will hold a Christmas dinner at the Sunset Hill Holiday Inn at a monthly meeting.

Prather junior high school, Miss Alice Purdes will speak on a Mediterranean cruise held last summer.

Election of 1970 officers was set for the Jan. 26 meeting.

The new president, Mr. Walter Klein spoke on Mexico and President Donald Roulund reviewed a meeting in Canada at Monday's meeting.

UPW SEES SLIDES ON TOUR OF AFRICA

The November meeting of United Presbyterian Women of First United Presbyterian Church met last night at the church.

Mrs. Walter Kerch opened the evening with a musical number and Mrs. Dee Roberts, president, presided.

Mrs. Henry George led the devotional service, and a praise service, and dedication of the Thank Offering boxes was in charge of Mrs. George Holtzsch.

The remainder of the program consisted of a talk by Mrs. Mary Butler of Atton, a member of the Presbyterian Mission Interpretation Committee, on a recent trip to Africa. The talk was illustrated with slides.

Circle Five was hostess group for the evening and refreshments were served to about 30 members.

Five-Month-Old Girl Dies of Pneumonia

Jan L. Tessler, five-month-old daughter of Mr. and Mrs. Dennis (Shirley) Tessler of 2163 Monroe avenue, was pronounced dead upon arrival at Elizabeth Hospital at 7:30 a.m. today. The family said the child had been taken to the doctor on Tuesday for treatment of a cold. Death was attributed to pneumonia.

The child was born at Memorial Hospital in Belleville.

Other survivors included grandparent, Mr. and Mrs. Walter Tessler and Mr. and Mrs. Harry C. Grenawalt both of East St. Louis.

Funeral services will be conducted at an East St. Louis funeral home at 2 p.m. Friday. Interment will be at Holy Cross Cemetery, French Village.

Whittle by Whittle CROWNS TWO QUEENS

The Whittle by Whittle club met at the East Side Levee District here Monday night. The club pledge was led by the leader, Mrs. Vernie Nida and sharing honors as "queens of the week" were Mrs. Jolene Myers and Mrs. Beulah Kraus.

The members crowned by Mrs. Rose Bronbauer and Mrs. Von-Nida. Gifts were given to each queen, and members sang "Hail to the Queen."

A guest, Mrs. Gloria Bennett, was introduced. Plans were discussed for a new weight lifting contest to begin in the next few weeks. Mrs. Judy Green is chairman.

Mrs. Bronbauer presented achievement charms to Mrs. Pat Pele, Mrs. Datha Ely, Mrs. Von-Nida and Mrs. Ruth Stow. The club Christmas party, including a gift exchange, will be held Dec. 22.

The members held a cradle shower in honor of Mrs. Carmen Bridick and her seven-week-old daughter. Decorations and refreshments were planned by Mrs. Judy Boyer, Mrs. Stella Fischer and Mrs. Blanche Koppen.

The table was covered with a baby motif cloth and was decorated with pink ribbon bows. Other members attending were Mesdames Mary Jo Akeman, Billie Bagl, Phyllis Barton, Mildred Boyer, Sharon Bridick, Doris Brookshire, Virginia Cotter, Sharon DeWitt, Iris Gauen, Edith Harris, Ruth Hubbard, Gladys Haggis, Agnes Korn, Madeline Machenia, Phyllis Meyer, Linda Miles, Jerry Skaggs, Shirley Sobolewski, Marilyn Southard, Dolores Townsend, Judy Webb and Betty Young and Misses Carol Gauen.

FOUR JOIN AUXILIARY OF EAGLES AERIE 1126

The Auxiliary of Eagles Aerie 1126 met at the hall Tuesday evening with the president, Mrs. Helen Frazier. Four new members, Mrs. Beulah Stanton, Mrs. Evelyn Ferro, Mrs. Patricia Koppen and Mrs. Beverly Schutzenhofer, were accepted.

An initiation ceremony was conducted for nine candidates. Reports were given by Mrs. Angie Buehler, ways and means chairman, and Mrs. Margie Hall, chairman of the state president's Harrisburg, Ill., project on retarded children.

Mrs. Theresa Daigger, chairman, gave a progress report on the cancer fund program.

Mrs. Frazier said a chicken and dumpling dinner was a success. The annual Auxiliary dinner and Christmas party will be held Dec. 8, with the report given at 6:30 p.m., a gift exchange and a regular meeting. Mrs. Stella Miller will be in charge.

Mrs. Buehler reported on a trip to Lawrenceville, Ill., during the weekend. Announcements were made of a District Eight meeting Dec. 7 at Alton and the state convention July 10-12 at Carondeau, home of the state president, Mrs. Marge Willoughby.

The meeting adjourned for a social hour and games were played. Mrs. Katherine Obucina won the evening's prize and Mrs. Dolores Sanders won the weekly raffle. Refreshments were served to 38 by the hospitality chairmen, Mrs. Sanders, Mrs. Miller and Mrs. Frazier.

SMOCK AND SMITH WEDDING ANNOUNCED

Announcement is being made this week of the recent marriage of Miss Charlotte Smith, a daughter of Mr. and Mrs. Charles Smith of Bartley, Mo., and Charles Warren Smock, a son of Mr. and Mrs. Charles Smock of 2143 Johnson road.

The ceremony was performed by Rev. Walter of the Baptist Church in Shawneetown, Ill. The couple will reside in Granite City, as Mr. Smock is employed at the Quad-City Roofing Co.

RETURNING FOR HOLIDAYS

Among the students returning from the University of Illinois for Thanksgiving and the weekend were Miss Alice Cross, Misses Laura and Barrie Masie and Joe LeGrand.

Council Continues Debate on School Crossing Guards

In a continuation of debate over reinstatement of a school crossing guard, Granite City council members voted Monday night to have a legal opinion written on the workmen's compensation insurance policy and its requirement for annual physical examinations.

Also, the Aetna Insurance Co. is to be asked directly if it will cancel the policy if the crossing guard is reinstated.

Council members voted last week for George Gallas sr. to be returned to duty and paid for the period he was off work. He was to have started to work on Monday.

The council was advised Monday night in a letter from Mayor or Parney that Gallas was not rehired. The mayor, who was out-of-town, was not present for Monday night's meeting. He suggested a conference with a council session, to settle the issue.

In his letter, Mayor Parney stated: "At the Nov. 17 meeting, there was a motion by Morlen, seconded by Dallas, to reinstate Mr. George Gallas sr. as a school crossing guard and that he be paid back pay for time lost."

Two-Part Motion

"According to council procedure, this motion carried. But this motion is of two parts. The first part, with the council overstepping its authority as a legislative body and cancelling the city's workmen's compensation if Mr. Gallas is re-employed. And the second part, for payment of back pay money that was not set up in the budget, plus being an unlawful give-away program on the part of the majority of the aldermen."

"The city can no longer afford nor can our citizens who support us with the taxes they pay afford the luxury of an inefficient city or this type of legislative action."

"As mayor of this city, I am charged by the statutes of the state of Illinois and by the ordinances of this city to be chief executive officer of the city. It is my responsibility to see that the departments of this city are coordinated and to institute corrective action whenever I feel it required."

"I have no desire to be responsible for the day-to-day operation of the school crossing guards. That should be and is

2015 Girl Scouts, Brownies Plan for 'Festival of Giving'

More than 2015 Brownies and Girl Scouts, under the leadership of 300 adult leaders and advisers in the Quad-Cities, will observe the annual "Festival of Giving" program in the five individual neighborhoods, donating decorated baskets filled with canned foods and tree ornaments on Dec. 5, 7, 13, and 14 to organizations that will distribute the baskets to needy families in time for Christmas.

Members of the River Bluff Council, the scouts have been collecting the canned foods and making decorative tree ornaments to be included in the gift baskets during their weekly meetings.

Mrs. Wanda MacDonough, chairman for Neighborhood Four will also serve as chairman for the festival to take place on Friday evening, Dec. 5, at Frohardt school from 7 p.m. to 10 p.m.

Entertainment will be provided by the Cadette Troops followed by the basket presentation to the Salvation Army. A visit from Santa Claus will climax the evening.

Neighborhood One will have Mrs. Bernadine Wiedner as chairman for the festival planned for Sunday, Dec. 7, at the Venice Recreation Center from 1:30 to 3 p.m.

A function of the police department by my direction. "I have directed the police department not to reinstate Mr. Gallas as a school crossing guard, due to his not passing the physical examination and by placing a burden on the taxpayers in case of an accident."

"No Interference"

"I further feel that the police department should operate without interference and all departments must operate under the mayor as the chief executive officer of this city."

The mayor also stated in his letter that the program of crossing guards was started in 1963 with the hiring of five guards and pay of \$4 per day. Each year, he said, "There has been issue after issue on the council floor pertaining to school crossing guards and many, many hours spent in debate, plus the taxpayers money spent in wages plus the school crossing guards force has grown from five to 13 and the pay from \$4 per day to \$11 per day, at the aldermen's will."

A motion was made by Whitmer to have the guard reinstated on file, but council members

Following a program performed by the scouts, all baskets will be given to Catholic Charities.

Mrs. Leona Jones will serve as chairman of the "Festival" for Neighborhood Five and will gather on Saturday, Dec. 13, at St. John United Church of Christ from 1 to 3 p.m. A program will be presented by the scouts and all baskets given to a representative of the American Red Cross.

Neighborhood Three will have Senior Troop 1177 under the leadership of Mrs. Joan Oram in charge of the program set for Sunday, Dec. 14 from 1:30 to 3 p.m. at St. John United Church of Christ. Following a program of entertainment, the baskets will be presented to the Protestant Welfare for distribution for the holiday season.

Patricia Rippey and Mrs. Margaret Barton are co-chairmen for Neighborhood Two who will meet on Sunday, Dec. 14 at St. Joseph Church basement from 2 to 5 p.m. All their baskets will be donated to Catholic Charities.

After the basket presentation, a Christmas party for all level scouts will take place, highlighted by the arrival of Santa Claus.

called for a discussion. Noon said he was certain Gallas was named in a list of guards to be rehired, submitted in August and approved by the council and the mayor.

Robertson called for the legal opinion from William Kinder, who was substituting for City Atty. Scroggins. He later asked that a written opinion be submitted at next week's session.

Whitmer asked if the Finance Committee had followed last week's instructions and obtained cost figures from other insurance firms.

Boyd Presides

Alderman Boyd, who was chosen to preside as acting mayor in the absence of Mayor or Parney, said the committee had decided to wait and see.

Baker spoke out, "The finance committee should move so all city employees won't be out of insurance coverage."

Morlen remarked, "We should be covered. The policy runs to next May."

Baker suggested the attorney write to the insurance firm to determine if the policy is to be cancelled or the guard is reinstated and it is included

Social Concerns Group To Hear Local Clergy

A panel of ministers will discuss the "who, what, when and where" aspects of church participation in community life, at the Quad-Cities Social Concerns Council's quarterly meeting, set for 1 p.m. Sunday, Dec. 10, at the First United Presbyterian Church, it was announced today.

The discussions, led by the guest ministers, will be used to formulate thinking on the issue of overall service to residents in the community through various church-sponsored activities and programs, as they apply to projects planned by the Social Concerns group.

All members of the council are urged to take part in the meeting, which is open to anyone interested in bettering the local community.

Should an agency's official delegate to the council be unable to attend, a spokesman for the group urged that an alternate representative be appointed in his place.

Vandals Break Windows

Two windows and a glass in a back door were broken by vandals at the home of Louis A. Bisto, 1724 Market street, according to a report to Madison police, Monday afternoon. Officers said rocks were found on the porch.

In the legal opinion motion.

"This is not insurance. It's politics," Alderman Basarich remarked.

"Politics started the school crossing guards and it is continuing. Why is the mayor not here to back up his letter? I'm not concerned. The man doesn't live in my ward and he worked against me in the election. The program was started for men over 65, and then they set up a physical examination program. It looks like we'll have to hire 21 year olds to pass the physical."

Boon added that the purposes of the system were to give jobs to older people on pension and to protect the children. He said the increases in the pay were necessary to meet rising costs.

The vote on filing the mayor's letter was: Aye—Rutledge, Whitmer, Boyd, Dallas, Morlen, Dawes, Jarrett and Baker, and voice "no" were Nann, Basarich, Parmley, Robertson, Paulus, Morlen and Schuler. Alderman Green, who is ill, was absent.

Stevenson Gets Party Nod For U.S. Senate Bid

Illinois Treasurer Adlai E. Stevenson III was chosen at Chicago yesterday by Democratic Party slatemakers to head the 1970 Democratic primary election ticket as candidate for the U.S. Senate.

One of Stevenson's two principal opponents for the organization endorsement, State Sen. Alan J. Dixon of Belleville, was endorsed as the party candidate for state treasurer. Stevenson's term expires next year and he could not succeed himself.

Lt. Gov. Paul Simon of Troy, who made a last minute active campaign for the endorsement on the plea that the senate post should go to a downstate man, was passed over in the decision. Both Simon and Dixon had told Democratic leaders downstate voters would highly approve a

candidate picked from outside the Chicago area.

Illinois' other U.S. senator, Charles Percy, a Republican, is from the Chicago area. Stevenson also lives in Chicago. Simon had tagged himself as "available for a draft" to the senate candidacy, but during the last few days admitted he was actively seeking the endorsement. He appeared personally before the slatemakers earlier in the week.

Gets Third Spot

The third spot on the state ticket went to Dr. Michael B. Kalis, an assistant dean at Northern Illinois University, DeKalb, as candidate for superintendent of public instruction.

Stevenson, 38, has long been a leader of the Democratic party, but often has been at odds with party regulars headed by Chicago Mayor Richard J. Daley because of his independence. Stevenson had indicated that if he failed to receive the party endorsement, he might be a candidate anyway, which would have split the party even if he failed to win.

The candidates will have to

run in the March 17 primary election, but with party organization backing there is little doubt that they will take the nominations.

The Democratic senator nominee is almost certain to be opposed by U.S. Sen. Ralph T. Smith (R-Alton) who was appointed to the senate post by Gov. Ogilvie in September to fill the vacancy created by the death of the late Everett M. Dirksen.

Kirkpatrick Teens Plan Dance Friday

Kirkpatrick Teenage Club will sponsor a dance for area teens from 8 to 11 p.m. Friday in the Kirkpatrick Homes recreational center; it was announced today by club president, Connie Evans.

Music will be furnished by "The Bearth." Tickets, purchased in advance from Miss Evans, John Petish and other club officials, cost 50 cents, while a 75-cent admission fee will be charged at the door.

Conduct Charge Filed

George Turner Jr., 23, of 2126 Washington avenue, was charged with disorderly conduct and intoxication at 1:20 a.m. Tuesday at 21st street and Grand avenue.

Club members are planning a paper drive on Saturday, Dec. 6, with pickups made all day from donors who call Peter Waiser, at 876-2878, or Miss Evans, at 876-6570. Dance ticket information also may be obtained by calling the same numbers, the officer said.

Vandals Damage Screens

Hugh Haskinson, 2423 Anchorage Homes, reported to police Tuesday evening that vandals had cut the screens on the front and back doors to his apartment. He said there have been other acts of vandalism there in recent weeks.

BRIGHT RED YULE STOCKINGS in which babies born at St. Elizabeth Hospital during the Christmas season will be carried home by members of the Granite City Junior Service Club, project sponsors. Left to right are— Miss Flora Mae Lensing, Mrs. Francisca Rawden, Mrs. Marian Wright, Mrs. Jean Ann Vrenick, project chairman, Mrs. Alberta Ronney, RN, supervisor, and Mrs. Sandy Tilkens. Although life-like in appearance, the "infant" inside the stocking is a baby doll.

Jr. Service Club Provides Yule Stockings for Babies

Once again this year, babies born at St. Elizabeth Hospital during the Christmas season will be snugly wrapped inside a vivid red and white Yule

stocking when carried home by their parents.

Hospital authorities said that infants leaving St. Elizabeth after Dec. 17 or 18 will be presented with the gift stockings.

For the past four years, the Granite City Junior Service Club has sponsored the "Christmas Stockings for Tots" project, providing the local hospital with a n d m a d e Christmas stockings made of warm flannel and appliqued with white felt Santa Claus figures.

Mrs. Jean Ann Vrenick, club project chairman, said 140 stockings were made this year by committee members, Mesdames Sandy Tilkens, Marian Wright, Francisca Rawden and Miss Flora Mae Lensing.

Thirty-eight were delivered to the hospital Monday, Mrs. Vrenick said, explaining that two stockings were presented to new mothers who are members of the Junior Service Club.

About 28 inches in length, the Christmas stockings are trimmed with white ribbons which tie snugly under the infant's arms.

The project has proved a favorite of new mothers, many of whom keep the gift, later using it as a Christmas decoration or letting the children hang up the stocking prior to a visit from Santa Claus, Mrs. Vrenick said.

MISS KATHY BARNES, a bride to be. Her engagement to Cpl. Frank Gregory has just been announced.

Gregory-Barnes Engagement

Mr. and Mrs. Doyle Barnes, 4912 Hills avenue, are announcing the engagement of their daughter, Miss Kathy Barnes, to Cpl. Frank Gregory, a son of Mrs. Howard Gregory of Mitchell, and the late Mr. Gregory.

Following the harvest in early
America, families joined together
and gave thanks for
their blessings. Despite the
hardships and privations of a
rugged, unfamiliar land, they
found much that was good. Even
though hazards and uncertainties
were ever-present, in the

MRS. RUBY PARKER
"Woman of the Year"

B&PW Honors Mrs. Parker

Mrs. Ruby Parker has been crowned "Woman of the Month" by the Granite City Business and Professional Women's Club.

She was selected for the honor at a recent dinner meeting of the club held at the Rose Bowl and crowned by Mrs. Dolores Allen, chairman of the "member of the month" committee. Mrs. Parker is assistant treasurer of the Norfolk and Western Federal Credit Union in Madison.

MRS. DARNELL MAKES OFFICIAL VISIT

Mrs. Norma Darnell, 2711 Center street, state commander of the Navy Mothers of Illinois, was guest of the Blue Jackets Navy Mothers of Highland Monday evening.

The official visit was requested by the group and a business session was held with Mrs. Darnell holding an honor seat in the executive body. After the meeting an informal question and answer period was conducted.

This was the first visit of Mrs. Darnell to Highland since her election to the state office and as she was presented with a gift there was a standing ovation by the entire assembly.

Refreshments were served after the meeting.

Beta Chapter of the Phi Tau Omega sorority held a monthly meeting last night at the Stoplight restaurant in East St. Louis.

A "Land of Oz" theme was used with the decor in keeping with the occasion. A highlight of the evening was a style show of millinery representing song titles shown by the pledges.

A memory test on The Land of Oz was given, and prizes were won by Dorothy Malley, Julia Miller, Mavis Albrecht, Linda Abbott, Gert Ostander, Kathy Price, Nancy Wohlgenuth and Virginia Miller.

Hostesses for the evening were Jean Cowell, Vickie Koenemann, and Millie Armistead.

Celebrating Anniversary

Mr. and Mrs. Walter P. Tothill sr., of St. Louis will observe their 50th wedding anniversary Saturday with a Mass at 5:30 p.m. at Perpetual Help Catholic Church in North St. Louis.

Mr. Tothill is well known here, having been employed at the old National and Enameling Stamping Co. from 1934 until 1953, and then at the Edison Tool and Die Co. until his retirement in 1963.

The couple was married at St. Michael's Church in North St. Louis. They have three children and 10 grandchildren.

AWARDS CEREMONY FOR CUB PACK 99

Cub Pack 99 of Central Christian Church met last night at the church.

A folk lore and "Paul Bunyan" theme was used and the decorations, including a drawing of Paul Bunyan by Becky Bailey, were displayed. Cubmasters Richard Willmore and Terry Tolon conducted the meeting.

Awards were made as follows: Bob Cat badges, Mark Ivie and Pat Hall; Wolf, Kerry Dionea; Gold Arrow, Brian Konzen; and recruiter stripes, Andy Hall and Ricky Willmore. Two of the boys were inducted into Webelos. They were Andy Hall and Brian Konzen.

After the meeting, all took part in games, and prizes were awarded the winners. About 30 were present.

BRIDE-TO-BE... Miss Sharon Balcer, whose engagement to Walter J. Smoski is announced.

Hospital Group Elects Officers

Officers for 1970 were nominated and elected Monday evening by St. Elizabeth Hospital Auxiliary at a meeting held in the hospital library.

The new staff will include Mrs. Mary Kristian, president; Mrs. Margaret Lee, first vice-president; Mrs. Bea Oonk, second vice-president; Mrs. Marjorie Strauss, recording secretary; Mrs. Armella Seiter, corresponding secretary; Miss Marie Zimmer, treasurer of the general fund; Mrs. Mabel Gaston, coffee shop treasurer; and two board members, Mrs. Margorie Norwood, retiring president, and Mrs. Verna Lengyel, board members.

Plans were made for a Christmas party Dec. 8 at the hospital.

Among those attending Monday's meeting were Sister Mary Frances and a guest, Mrs. Dorothy Maer.

Miss Balcer Is Engaged

Mr. and Mrs. Joseph A. Balcer, 2212 East 24th street, are announcing the engagement of their daughter, Miss Sharon Balcer, to Walter J. Smoski, a son of Mr. and Mrs. Edward Smoski, 2774 North 44th street, East St. Louis.

Miss Balcer graduated from St. Teresa Academy in East St. Louis, and from SIU-SW with an associate degree in business. She is currently employed by a St. Louis stock broker firm.

Mr. Smoski is attending St. Benedict College in Atchison, Kan., where he will receive a bachelor degree in English in May. He was recently listed in Who's Who in American Colleges and Universities.

A June 6 wedding is planned.

GRANITE CITY BOARD OF REALTORS

REALTOR is a service mark registered in the U.S. Patent Office under the trademark laws and may be used only by members of the National Association of Real Estate Boards.

We, the Granite Board of REALTORS (members listed on this page), along with the State and National Real Estate Boards of America, are celebrating "REALTOR WEEK." A proud birthright indeed and rightfully earned.

The term REALTOR does not mean just any Real Estate Agent or Broker, but means an active "full time" professional member of the National Board and its member boards.

For more than 50 years the term REALTOR has always denoted honesty, integrity and "Professional Know How." It came into being in 1915 when Charles Chabourn, a past president of the Real Estate Board of Minneapolis, on his way to a meeting, purchased a newspaper from a corner stand. He was horrified to see the caption

splashed across the front page, "Real Estate Man Swindles Widow." Further the article revealed that the unscrupulous real estate man (not a member of the board), was a part time speculator with his office in his hip pocket or some dim darkroom. Nevertheless, by his act he had dishonored every Real Estate Man in Minneapolis including all his members of the board. Greatly disturbed by the harm done, Mr. Chabourn set about finding a way to let the public know the difference between professional men of character and shady part-time operators. He evolved the title "REALTOR" which was immediately adopted by the Minneapolis Board. The next year (1916) at the National Convention, the term "REALTOR" was made a National Designation by the National Real Estate Boards of America. Over the years, the term has come to mean—Honesty, Integrity and "Professional Know How"—An office that any member of the public can approach with perfect safety confidence and dignity.

In Memoriam 33

In loving memory of SHERLIN (ANDY) HEIMAN who was killed one year ago today Nov. 30th in Vietnam.

The nights are full of nightmares. And the days they're so long. We can't believe it Andy, it's a year you've been gone. We're building a stairway. Each day a step or two. And with the help of God's Hand. In that far away land, Some day we'll be with you.

Sadly missed by
FATHER, MOTHER,
BROTHER, SISTERS,
GRANDMA AND GRANDPA

In Memoriam 33

In loving memory of KITSA PAPADINOFF, who passed away Nov. 27, 1968. Thirteen years have passed since that sad day. When one we loved was called away. Within our hearts she liveth still. Sadly missed by
THE FAMILY
33-11-26

In memory of DOROTHY DOOLITTLE who passed away Nov. 27, 1968. Your memory to us is a keep-sake. With which we will never part. Though God has you in His keeping. We will always have you in our hearts.

By HUSBAND & CHILDREN

In loving memory of CHARLES J. DITTRICH, Nov. 30, 1963. Peaceful be your sleep, dear Husband and Father. Was so sweet to breathe your name. For in life we loved you dearly And in death we do the same. Although our smiles are gone forever. And your hands we cannot touch. We shall never lose sweet memories Of the one we loved so much. We remember all your sweet-ness as we drive a silent tear. And you shall never be forgotten by the ones who loved you dear. Sadly missed by: WIFE, SUSIE, and CHILDREN, CHARLES, TOM, PAT and MARYANN

Ronald Kevin McKee, infant son of Mr. and Mrs. Ronald McKee, 2210 Hodges Avenue, was Christened at Sacred Heart Catholic Church Sunday with Fr. Joseph Enright officiating. Sponsors were Gino Bertusi and his maternal grandmother, Mrs. Clara Riess, proxy for Mrs. Sharon Stornborn of Virginia. The child was born Nov. 12 at St. Elizabeth Hospital. A Christening dinner was held in the afternoon at the McKee home. Guests were the McKee daughters, Debra and Denise; maternal grandparents, Mr. and Mrs. Orville Riess; grandparents, Mrs. Elvira Bertacchi; Gino Bertusi, Mr. and Mrs. Primo Bertacchi and Fr. Thomas Treese and Kevin Sullivan, also of Sacred Heart.

VISITORS RETURN
Mr. and Mrs. Ira L. Hill, 4831 Warnock Avenue, entertained out-of-town guests, Mr. and Mrs. Curtis Hood of Arcadia, Mo., in their home Sunday afternoon. The Hoods are former Granite City residents. Hood was employed at the Union Electric Co. before his retirement several years ago. They have been staying in the home of Mrs. Hood's sister and brother-in-law, Mr. and Mrs. Roger Martin, 2027 Iowa Street. They left for Missouri Monday.

HOLIDAY SCOUT PLANS
Junior Girl Scout Troop 704, sponsored by the Webster PTA, met at the school Monday afternoon with the leaders, Mrs. Mae Lee and Mrs. Elizabeth Griffin. The Mission Incredibles patrol opened the session with a flag ceremony, pledge, the scout promise and song.

Each scout gave her thanks to be thankful on Thanksgiving. Calendar money and dues were collected. Mrs. Myrleene Donnell, school nurse, collected health charts which the scouts had kept for the last two weeks, as part of the personal health badge.

Tree ornaments and canned goods were turned in for the Dec. 14 Neighborhood Three of Giving Judging of the best five ornaments will be held next week.

Several girls were selected to perform a play for the festival program, and all the members will join in a Christmas song.

An arts and crafts workshop was held and the members completed projects for their parents for Christmas. The meeting closed with a disappearing tunnel. Participants were Barbara Beavins, Mary Kay Chapline, Tammy Coberly, Ed Cox, Danna and Tammy DePew, Julia Forys, Tammy Fritts, Carole Griffin, Corina Kuhn, Karol Lee, Marci Little, Donna Long, Anita McGee, Shirley Money, Carmen Johnson, Linda

CONSULTANTS DISCUSS PROGRAM IMPROVEMENTS

Neighborhood Three troop consultants of the Girl Scout Leaders Association met in the home of Mrs. Jo Ann Jarrett, 2821 Iowa Street, Tuesday morning to discuss a work plan for all levels of girl scouting. Suggestions were offered to insure a better overall program for the Junior and Cadette levels.

The consultants compiled a list for Brownie scouts of things to do, places to visit and ways to keep in mind the badge and challenge fields for older groups. A discussion was held on possible events for an interesting scouting program. Tentative plans were made for several training courses for leaders, including outdoors cooking and activities in the early spring. Refreshments were served.

Consultants are, Mrs. Beth Caffrey, Sacred Heart Brownies; Mrs. Pat Eaton, Niedringhaus Juniors; Mrs. Mary Fryntko, Niedringhaus Brownies; Mrs. Jarrett, Marshall Juniors; Virginia Mariette, Marshall Brownies; Mrs. Doris Storz, Brownies and Juniors at Webster; and Mrs. Jackie Watkins, Sacred Heart Juniors scouts.

FAREWELL PARTY

The sixth grade class of Mrs. Janet Wilson of Webster school held a surprise farewell party Tuesday at Grace Baptist Church for their teacher, who will take a leave of absence beginning next week. The students were in charge of the preparations, with several of the mothers lending assistance. The honored guest was presented with a gift on

State Highway Crews

Preparing for Snow

"Like spring training for baseball players," Public Works Director William F. Cellini explained, "maintenance crews have been making trial runs in areas where they will be assigned to operate snow removal equipment."

Highway maintenance crews are responsible for keeping 18,000 miles of state routes open to traffic. Each crew is assigned about 17 miles of primary highway, about half that mileage on Interstate routes.

The division has 1700 trucks equipped for snow plowing. Four of these are large rotary plows, of which three are in the northernmost districts and one in Springfield for statewide availability.

"In addition, the division has 25 motor graders equipped with 'V' plows and wing plows. About 500 of the trucks equipped with blade type snow plows have 'V' plows available for use in heavier drifting snow conditions," Cellini said.

10 AM-4 PM Hours for Leaf Burning Here Are Suggested

Leaf and trash burning is a major pollutant, Ervin C. Hock, Granite City Air Pollution Board technical secretary, said this week in urging that any such fires be limited to the 10 a.m.-4 p.m. period.

He related that his office "has received several inquiries in connection with the open burning of leaves and I would like all of the residents in Granite City to be aware of the situation."

"The Air Pollution Control Ordinance of Granite City contains no regulations for the con-

trol of backyard incineration (the burning of domestic waste in barrels or the burning of leaves)."

"While the emission from each burning is relatively small, the accumulation of effect of all the backyard incineration exceeds the emissions from many of the industries in Granite City."

"I would like to make several suggestions to those residents that consider this the only reasonable way to dispose of the domestic refuse."

"1. If at all possible burn between the hours of 10 a.m. and 4 p.m. It is during these hours that the emissions are more likely to be carried aloft and be dispersed rather than clinging close to the ground."

Avoid Smoggy Days

"2. Do not burn during an inversion or when atmospheric smog is present."

"3. Be sure the container has air holes to provide good draft and thus minimize smoke."

"4. All open burning is an increased fire hazard. Carefully watch the burning operation to prevent the flame spreading to the clothing or yourself or other persons or to nearby buildings."

Container, Plastic Hazards

"5. Carefully establish a system that closed containers and plastic materials are not included in the waste to be burned. Such containers are closed bottles, paint cans, and all spray and pressured dispensers."

"The heat of the fire can cause an explosion which can propel flying objects from the fire. There are numerous records where children have lost the sight of any eye from this incident. Smoking and combustion of plastic can liberate poisonous gases."

These two dangers are certainly worth the extra effort to prevent these items being incinerated. I am sure most of the residents of Granite City will assist us and themselves by complying with the above."

Floyd K. Pruitt, 47, Dies of Heart Attack

Floyd K. Pruitt, 47, died of a heart attack about 4:15 p.m. Tuesday at his home, 2345 Cardinal avenue, where he was watching television. He was pronounced dead upon arrival at St. Elizabeth Hospital.

Earlier in the day he had played golf on the Army Depot course with his uncle, retired police Lt. Fred Muntion. Mr. Pruitt, who had suffered a heart attack a year ago while in Japan where he was serving as chief radioman aboard the aircraft carrier USS Beutlington, retired from the Navy in March and moved here from San Pedro, Calif. He was born in Hartford, Ill.

In his 23 years service with the Navy, Mr. Pruitt participated in world war II, the Korean war and the war in Vietnam.

Survivors include his wife, Louise, and two daughters living here, Mary, 14, and Anna, 11; two other daughters, Miss Patty Pruitt of Buena Park, Calif.; and Mrs. Linda Villegas of Anaheim, Calif.; his mother, Mrs. Millie Johnson of Granite City, and a brother, Larry Pruitt of Belle Chasse, La.

Funeral arrangements are given in today's obituary column.

American Steel 25-Year Club's Dinner Dec. 3

The 25-Year Club at American Steel Foundries will enroll 11 new members at the 36th annual meeting and banquet to be held in the cafeteria of the Granite City senior high school on Wednesday, Dec. 3.

New members from Quad-Cities include Frank Kuzma, 2474 State street; Steve J. Seka, 1402 Washington avenue; and Albert E. Timko, 801 Niedringhaus avenue, and Ollie S. Walker sr. of 809 Webster street.

Others to be enrolled are L. K. Sims of Brooklyn, Leslie A. Pryor, Roscoe Teer and Gregory Turner all of East St. Louis, Charles Felchlin of Edwardsville, John C. Lewandowski, Normandy, Mo., and Robert Jackson of St. Louis.

A. P. Steinhauser, works manager, will present watches to the new members whose enrollment will increase the club's total membership to 454, including 20 honorary members.

L. E. Dorman, director of industrial relations at the Amsted Industries Chicago office, will be the guest speaker.

The club was organized in 1944 for the purpose of promoting good fellowship among employees with long service at the local plant, and is presently headed by Roy Schuermann of St. Louis county.

Boy Gets Belated Card From Johnson Family

A seven-year-old Granite City boy probably has the most impressive array of presidential birthday greetings and signed photographs of former President Johnson and his family than most private citizens can boast. It was learned this week.

David Eugene Davis, son of Mr. and Mrs. William Davis, 2397 Logan street, has exchanged greetings with the former chief executive the past five years, on the occasion of the latter's wedding anniversary and the youngster's birthday. Both fall on Nov. 17.

The reciprocal correspondence has been carried on mainly by David's mother, Mrs. Betty Davis, who also has received salutations from the White House and from Johnson Ranch in Texas.

This year, David's birthday greeting from former President and Mrs. Johnson arrived a little late. The card was accompanied by a letter which noted the salutation was belated, but hoped the youngster liked it.

A 5x7-inch color photograph sent by the couple. A booklet, describing President Johnson's family life and showing scenes at the Texas ranch, also was received by the local boy.

In previous years, David and his mother have been presented 5x10-inch color portraits, taken in the White House, along with other photographs of the Johnson family.

"Just because Mr. Johnson decided not to continue being president, doesn't mean we should forget him," Mrs. Davis commented yesterday. "So we continued to send greetings to the President and Ladybird on their 37th wedding anniversary," she added.

A second grade pupil at Logan elementary school, David is planning to take the items to school next week and display them to his classmates, Mrs. Davis said.

Man Exposes Person
Police were notified at 4:45 p.m. Tuesday that a middle-aged man driving a blue foreign car exposed his person before three young girls. He had called the girls over to the car at Wabash and Cottage avenues. The report was made by the parents of one of the girls who was 13 years old.

Keep Car Windows Clear For Safe Driving--Chief

Expressing grave concern over the many traffic crashes caused by poor visibility, Granite City Chief of Police Ronald J. Veizer issued a warning to drivers:

"A police officer has the legal responsibility to stop drivers whose car windows—front, side or rear—are obscured, or who are driving too fast for visibility conditions, and we intend to discharge that obligation."

Chief Veizer pointed out two major causes for winter visibility problems—longer hours of darkness, and snow, sleet, misty fog or frost clinging to the windshield or windows.

"It's obvious that a driver knows when he can't see properly," he added. "It's only common sense for motorists to try and correct the situation."

"Keep the windshield completely clear, inside and out. Start the car and let the heater-deicer warm up before you take off. That means having defrosters that really work."

"Not only windshields, but side and rear windows and all mirrors, inside and out, must be unobscured."

"And when you clean off the windows, also clear the headlights, tail lights and directional signals as well. Good scrapers, clean rags and spray de-icers in the car can make these jobs a lot easier."

Chief Veizer also referred to windshield wipers as the "forgotten-until-needed" safety items on a driver's visibility checklist.

Ballet Group to Dance At University Dec. 7

The popular "Sleeping Beauty" ballet will be performed by the Irene Gintautas School of Classical Ballet of Caseyville, which includes local residents, at 3 p.m. Sunday, Dec. 7, at the SIU-SW Communications Building. The ballet group presented the "Nutcracker Suite" last year.

The public is being invited.

Chief Veizer joined other members of the International Association of Chiefs of Police in pledging the continued and all-out cooperation of his department to reduce crashes in which poor visibility is a factor.

GC Girl, 13, Escapes Molester, 'Socks' Him

A Granite City girl, 13, escaped a molester by socking him while she was walking in the 2800 block of Nameoki road, it was reported at 2:30 p.m. Tuesday.

She said she was accosted by a man, 20 to 25 years old, who drove up to her in a 1960 or 1961 wine-colored auto, who asked if she needed a ride home. He then grabbed her by the arm and said "you better get in this car or else."

After she struck him, the man drove south and she ran home. She said he had a light brown beard, mustache and hair with a bald spot on the top of his head. She said the car was without license plates.

Auto Battery Stolen

Vincent Lohmann of Collinsville reported to police at 9:30 p.m. Tuesday that the battery was stolen from his 1967 auto while the car was parked at the Junior Achievement Center on Wabash avenue. He valued the battery at \$35.

Changes in New Teacher Scholarships Reviewed

Principal changes in scholarships offered to prospective teachers, approved by the 7th General Assembly, were explained today by Wilbur Trimpe, Madison county superintendent of schools.

proof to the office of the superintendent of public instruction that he is pursuing and continues to pursue a teacher education curriculum.

Each recipient must teach two of the three years immediately following graduation or termination of enrollment in the teacher education program. There are certain situations in which the teaching period can be extended. The three-year period may be delayed for military service up to four years and by a student immediately

enrolling in graduate school. A person receiving the scholarship may satisfy their obligation of teaching in any recognized public, private or parochial school in Illinois.

If a recipient of the scholarship defaults, it will be his obligation to repay the state the total amount waived while under the scholarship program and a five per cent interest charge per year on the amount. Each person applying for the scholarship should have made available to him the provisions

of the statute. The scholarship affidavit card basically meets the criteria within the statute—requiring a student to have read the provisions of the statute—and must be submitted for each person making application.

All applications must be made through the office of superintendent of an educational region (formerly county superintendent of schools). The changes apply only to those scholarships issued after October 1969.

Y Gym Available
For Use on Friday

The YMCA gym will be available for "drop-in" basketball on Friday, according to Chuck Hasse, youth director. The gym will be available from 9 a.m. to noon and 2 to 10 p.m. Members may use the facilities at no charge, while non-members may pay the \$1 daily rate. Hasse encouraged a high school and college students to use the facilities.

A recreation swim period for high school students has been set for 11 a.m. to noon Friday. The youth and Teen Town lobby will be open from 9 a.m. to 7 p.m. Friday.

Commissions Offered
To Coed College Grads

A new orientation training class beginning Feb. 3, which offers training to college graduates accepted for commissions in the U. S. Women's Army Corps, has been announced. Young women interested in such commissions and obtaining space in the class should contact the local Army recruiter.

College graduates between the ages of 20 and 27 are eligible for commissions as second lieutenants in the WAC, with a salary of \$6333, including food and housing allowances, for their first year in service. Graduates between 21 and 32 are eligible for commissions as first lieutenants, with first-year salaries of \$7112, including food and housing.

They also receive an initial uniform allowance of \$300, transportation to the WAC training center at Fort McClellan, Ala., where the 18-week class is held, and from there to any other duty assignment. They also receive all military benefits as 30 days annual vacation, free medical and dental care, retirement and veterans benefits and commissary and post exchange shopping privileges. Those completing the course must serve on active duty as a commissioned officer for two years. Additional information may be obtained at the Army recruiting office, 1206 Niedringhaus avenue.

Southern Illinois University began a two-year training program for library and audiovisual assistants in the fall of 1969.

Birth Dates, Alphabet
Basic in Draft Lottery

Methods to be used by the Selective Service System in conducting the new draft lottery, expected to begin early next year, were explained this week by the Department of Defense.

Draft-eligible youths will not have exact information about their chances of being inducted, but the system will shorten the period of time in which they may be drafted from six years to one and will give them some indication of their chances of being drafted.

The system will be based on birth dates and the alphabet, carried out toward the end of each year. The 366 dates of the year, including Feb. 29 of leap years, will be placed in a hat, bag or bowl. They will be drawn one at a time to develop a sequence of priority.

If July 20 was the first date drawn, then all draft-eligible males born on that date would be in the highest level of induction priority and almost certain to be drafted. Should Feb. 11 be drawn last, the chances of individuals born on that date being drafted would be slim.

The 26 letters of the alphabet then would go through the same process. If the first five letters to be drawn were L-T-D-M—those eligible to be drafted whose last names begin with those letters would be increasingly subject to induction if their birth dates had high priorities.

More Campus Police
At Carbondale

A resolution authorizing the addition of up to 20 additional security guards to the Southern Illinois police force on the Carbondale campus—an action expected to result in some increase in the force at the Southwestern campus—has been approved by the SIU board of trustees.

The authorization was made on a proposal by Dr. Martin Van Brown, who suggested that additional police be trained as task forces for crowd control, traffic control and other duties. Thomas Leffler, head of security at SIU at Carbondale, told the board it would take him at least a year to find men for the jobs. Leffler indicated the

possible addition of about six men to the Southwestern campus force.

Leffler said he wanted to men in their early twenties who have at least two years of college education. They would receive an additional three months training. The current average salary for patrolmen is \$7200.

At present, the Carbondale campus security force has 38 patrolmen. The Southwestern campus has 24.

22 NURSING STUDENTS at Southern Illinois University-Southwestern gain experience in maternal nursing and care in St. Louis hospitals. Opera Theater to Sing For Students

The Opera Theater of St. Louis will present excerpts from Puccini's opera "Madame Butterfly" Dec. 10 at Madison high school for students in the district's humanities program. The theater is directed and conducted by Edward Murphy, former principal horn player and concertmaster for the St. Louis Symphony. Virginia Settle, well-known St. Louis opera singer, will perform the title role. Jeral Becker, a former Metropolitan opera audition winner, will play the part of Lt. Pinkerton. Christine Dougherty, who is Suzuki in the opera, is also a Metropolitan auditions winner. Mary Pillsbury, who is property director and also sings the role of Kate Pinkerton, is well-known in musical comedy in St. Louis. She will be opening at the Hotel Pierre in New York on Dec. 1 and is flying back for the Madison performance. Jamie Stellos is tour manager. The performance will open near the close of Act 1 when Lt. Pinkerton sends the guests

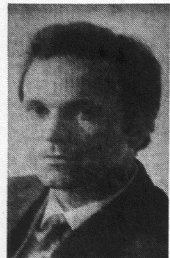

away and rejoins his bride singing the duet declaring his devotion forever for Cho-Cho-San. In Act II, three years have passed and Pinkerton's ship has long since departed. Butterfly lives with her son, the child of her marriage to Pinkerton, and with her servant Suzuki. Since Butterfly has heard nothing from her husband, Suzuki raises doubts of his return, and Butterfly, who believes and trusts, sings the highlight of the opera, "One Live Day, He Will Return."

Later a cannon is heard from the harbor and the atmosphere of anticipation and cheer return to the scene as Suzuki and Butterfly join in the beautiful flower duet.

The Opera Theater has been in existence 11 years. One of its most successful accomplishments has been the annual Opera Festival held at the Washington University pavilion. Another major project has been the opera program developed especially for performance before high school audiences.

Bureau to Study SIU Urban Crisis Programs

Southern Illinois University has been chosen with 11 other U. S. institutions to be included in a nationwide study of university involvement in the urban crisis.

The study, being undertaken by the Bureau of Social Science Research in Washington, is scheduled for completion late next year.

The Bureau cited SIU's programs of community development, neighborhood services, student volunteer work, urban studies, internal job training and Black American Studies as examples of its contributions.

Field work at SIU will be done this month and next March by George Nash, an urban sociologist who is study director, and Ann Finkelstein, a

EIU to Assess \$2 Fee To Aid Needy Students

The Board of Governors of State Colleges and Universities has authorized Eastern Illinois University to assess all full-time students a \$2 per quarter

fee to help "economically disadvantaged but academically qualified students." The main thrust of the new aid program, to begin in the fall of 1970, will be aimed at minority groups "such as Blacks, Puerto Ricans and Indians." Proportionate amounts will be assessed part-time students.

President Quincy Doudna said the approval permits Eastern to take "an official posture that would match the rhetoric beyond which institutions so often fail to go."

Doudna said a motion introduced in the Student Senate early in the fall requested him to recommend to the Board of Governors that the \$2 fee be assessed students to provide financial assistance for economically and socially deprived, but academically qualified, students.

St. Louis U. Changes Nursing School Name

The Rev. Edward J. Drummond, J.J., vice-president for the Medical Center at St. Louis University, has announced that the School of Nursing and Health Services will be renamed the School of Nursing and Allied Health Professions effective Jan. 1.

Rev. Drummond said the new name more clearly relates to the academic and educational goals of the school and makes explicit the professional aspects of careers in the allied health professions.

The school consists of a division of nursing and a division grouping the departments of medical record science, medical technology, physical and radiologic technology under the present title "health services."

Granite City PRESS-RECORD

Wed., Nov. 26, 1969 Page 31

The name-change was recommended by the department chairmen of the division of health services. Sister Mary Stephen Noth, S.S.M., dean of the School, said that in recent years there has been growing usage by educational institutions and government agencies of the term "allied health professions" to describe careers for which the division of health services offers baccalaureate programs.

Game, Fish Law Violators -- 'Better Have Wallet'

"Anyone who violates game, fish, boating or forestry laws or who disregards state park regulations after Dec. 1 had better have his wallet with him."

This statement was made to

day by John Rebuffoni, chief law enforcement officer for the Illinois Department of Conservation. Rebuffoni explained that persons cited for violations of conservation rules after Dec. 1 will be required to post a cash bond immediately.

The bond, which may be from \$25 to \$100 depending on the nature of the violation, must be in cash. Checks are not acceptable. Anyone who cannot accept officer issues a citation and the person cited places a post bond will be taken to the county jail to await trial, or until the bond is paid.

Rebuffoni said the new procedure is mandatory according to rulings of the Illinois Supreme Court.

Red Peppers Honor Cross Country Team

Granite City high school's Red Peppers awarded a special plaque to Coach Dick Harmon and the 1969 cross country team at a club meeting last week.

The presentation was made by Bev Frazier, club president, who noted the accomplishments of the Warriors team this season. The Harriers competed in the state tournament.

The name of each player, as well as a congratulatory phrase, was inscribed on the plaque.

About 300 girls attended the meeting, and cookies and punch were served to the coach and team and then to members.

Each year the team had nominated a Miss Harrier, but there were only two home cross country meets this season, so a selection had not been made at the time.

The team decided to give the honor of Miss Harrier to all of the Red Peppers and presented the club with a dozen roses, accepted by the club president.

Armenian Priest to be Ordained on Saturday

Ordination and consecration ceremonies will be conducted at 11:30 a.m. Sunday for Hagop Habeshian of Beirut, Lebanon, at St. Gregory the Illuminator Armenian Apostolic Church here.

He will be ordained by His Grace, Archbishop Hrant Khatchadourian, prelate of the North American Diocese of the Armenian Apostolic Church, with headquarters in New York.

Assisting will be Very Rev. Yervant Apelian, vicar general of the American see, and Rev. Arshaveer Sedalian, current pastor who has been assigned as pastor of the church at Whitesville, Mass.

Following his ordination, Mr. Habeshian will become pastor of the local church.

Special services for preparation for ordination will be held at 7 p.m. Saturday, with the archbishop presiding.

Immediately after the ordination ceremonies, the local church will celebrate its 15th anniversary at a dinner to be served to parishioners at St. John United Church of Christ.

City Funds Low—With Six Months to Go

Granite City ended the month of October with a total balance of only \$316,883 in all of its general fund accounts and a balance of \$246,144 in available reserve funds, according to a report given city council members by Comptroller Robert Stevens Monday night.

The report shows Oct. 31 balances of \$46,023 in the police department, \$25,732 in the fire department and \$83,522 in the street department.

The fund for maintenance of sewers, which has had total available funds of \$200,275 during the first six months of the

city's fiscal year lists total expenses of \$319,128 for the six-month period, leaving a balance of only \$1146.

The sanitation account from which \$106,423 has been spent during the six months of the fiscal year had an Oct. 31 balance of \$83,126, and the general government account had a balance of \$30,316, Stevens' report shows.

Expenditures out of the police fund for the six-month period totaled \$206,474, while fire department disbursements amounted to \$192,522 and street

department expenditures totaled \$142,369, according to the report.

Two account deficits are listed, one in the amount of \$1975 in the school crossing guard account and \$100 in the audit account.

The report also shows receipt of \$797,092 in a second and final tax distribution from the city treasurer's office during October, but lists this money as "undistributed." Stevens said the money since has been distributed to the various accounts, however.

Smith Sees Thaw in Highway Fund Freeze

The federal freeze on highway construction funds in Madison and St. Clair counties will be removed in two to three weeks, according to U. S. Sen. Ralph T. Smith of Alton. Sen. Smith quoted Gov. Marines Guarantee Aviation Assignments

Air-minded young men are advised that the U.S. Marine Corps is now guaranteeing aviation assignments to qualified applicants, according to Gunnery Sergeant Troy L. Childers, local Marine Recruiter.

A recruit guaranteed aviation duty is assigned to aviation familiarization school at Memphis, Tenn., after he completes recruit training and basic infantry training. He will further be assigned to school or on the job training in one of the many aviation specialties.

Sgt. Childers will be at the city hall in Granite City on Monday and Friday afternoons and one Wednesday morning to interview young men who are interested in obtaining information about the 470 different jobs available in the Marine Corps.

The local phone number is 877-0990 or 875-1121 in East St. Louis.

Legion of Honor Degrees For Ebrecht and Holton

Robert C. Ebrecht and Robert F. Holton are to be invested with the Legion of Honor Degree in a public ceremony at the Belleville Masonic Temple at 8 p.m. Wednesday along with other delegates from southern Illinois by members of the Egyptian Preceptory Legion of Honor. Both local youths are senior members of the James Stuart Chapter Order of DeMolay.

Ebrecht, who lives at 48 Shirwin drive, a tool and die maker, is now machine shop instructor for the Manpower Training Center in East St. Louis which is under the auspices of SIU-SW. He is also active in the Civil Air Patrol, a member of the Advisory Council of the James Stuart Chapter and the following Masonic organizations: Granite City Lodge 877 AF & A.M., Granite City Chapter 221, Royal Arch Ma-

sons, St. Clair Council 61 Royal & Select Masters, East St. Louis Commandery 81 Knight Templars, Almad Temple, Tri-City Shrine Club and Granite City Chapter 680, Order of Eastern Star.

Robert Holton, formerly of Granite City, is now in Bowling Green, Ohio, where he is a Teaching Fellow at Bowling Green State College while studying for his Doctor's degree in related forensics. A member of National Speech Association of America, he was an assistant professor of speech at Western Illinois University, Macomb, Ill., prior to going to Bowling Green. While at Western Illinois University, he was responsible for the traveling debate teams and was active senior advisor for Kappa Theta Chapter of Theta Xi fraternity.

Holton also holds the Chevalier Degree and is a member of the Granite City Court of Chevaliers. His Masonic memberships include Triple Lodge 885 AF&M; Granite City Chapter 221, Royal Arch Masons; St. Clair Council 61, Royal & Select Masters; East St. Louis Commandery 81, Knight Templar; Scottish Rite Bodies Valley of East St. Louis Almad Temple, and the East St. Louis and Tri-City Shrine Club.

The Legion of Honor is the highest Degree and honor conferred by the International Supreme Council. It is conferred upon a senior DeMolay for recognition of outstanding adult leadership in some field of worthwhile endeavor that serves God, country or humanity.

Optimists Yule Tree Lot To Open Monday

Final preparations are being made this week by local Optimist club members for the arrival of 3500 Christmas trees from northern Michigan, Washington and western Canada, and opening of the Madison avenue lot where trees will be sold starting Monday.

The shipment of Scotch pines and Balsam Fir is expected to arrive on Friday or Saturday, with members of the Granite City and Twilight Optimist clubs scheduled to sort, grade and tag the trees during the week-end.

The sales lot again will be located between the main post office and fire station in the 2300 block of Madison avenue. Arthur Roseman of the Granite City Optimists and Jack Jacklin of the Twilight club are serving as project co-chairmen.

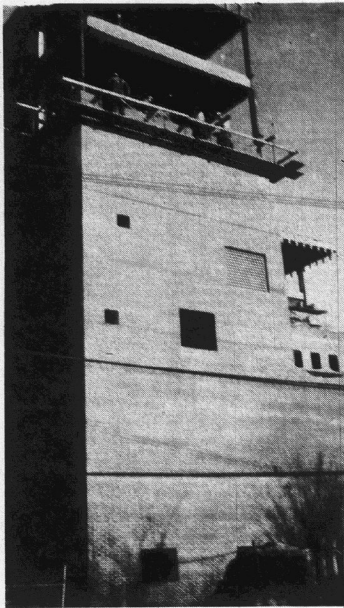

All tree sizes and price levels will be available at the annual sale, conducted each year to benefit local youth projects carried out by the men's service clubs. Seasonal decorations, such as pine ropes, garlands, wreaths and greenery, also will be sold.

This week, members of both groups are selling special tickets at \$1 each that can be applied to the cost of a tree. Volunteer salesmen from the clubs will man the lot daily each Saturday and Sunday from 10 a.m. to 9 p.m. through Christmas Eve, the chairman said.

St. Clair and Warren Avenues

Larger Pumps Recommended At GC Sewer Lift Station

Pumps of a larger capacity to prevent sewage backups at the St. Clair-Warren avenues lift station were requested by Alderman Parmley, who said during Monday night's council session that damage to basements even now is threatened.

"We must do something, and do it as soon as possible, since that lift station well is running nearly full and the two 300-gallon-per-minute pumps just are not doing the job," the alderman stated.

He explained that sanitary sewer lines from the major portions of four large subdivisions converge on the lift station, and that any breakdown of the system would be disastrous.

Pumps Running Full-Time
Parmley added that the present pumps are operating at capacity around-the-clock, and he called upon City Engineer Kenneth Kleberger for a recommendation.

The engineer said he was trying to get data from the manufacturer, but so far has been unsuccessful. He advised that two 500-gpm pumps, costing about \$2500, would be needed, and he pointed out the lift station was a "tin can installation."

He explained the city has several types of lift stations, and there is a need for standardization. Because at least four complaints of backups were reported last week to Alderman Parmley and Schuler, the engineer is to secure the data and report to the council next week.

Parmley also called for St. Clair avenue to be oiled at Warren avenue to hold down dust. The area had been excavated for sewer repairs.

No Federal Funds—Yet
The availability of federal funds for sewer replacement and repairs, caused by summer flooding, was discussed briefly. Alderman Schuler asked when the first \$90,000 would be available. Comptroller Stevens said it had not been received to date, and Rutledge pointed out the federal budget for the Civil Defense disaster emergency relief has not yet been approved in Washington.

"And we don't know when it will be," Robertson said in the meeting. Robertson called for a central location, available to be public for all records on motor fuel

tax fund projects. "I've tried to find them and can't locate them. They should be in the city clerk's office and available for public inspection at any time."

The city's MFT engineer, Kleberger, said the records are in the engineer's office on the third floor of the city hall, but that he did not know who had keys to the office. "They're all there except the ones on projects now being carried out," he explained.

Robertson replied, "If they're locked up, they're not available to the public."

Engineer Change?
His motion for the engineer to turn over all records for the past four years to the city clerk was disputed by Alderman Whitmer, who said he believed there was a drive on some council members to change engineers. "There's more to this than meets the eye. There have been some feelings between the engineer and some of the aldermen, and I think this all stems from the manufacturer's recommendation for a full-time city engineer."

Alderman Rohn, a member of the street committee, denied any plans to switch engineers. "The committee has never discussed this."

Robertson also denied any intent of replacing the engineer. "All I want is for the records to be kept where a taxpayer can see them."

Lights in Easements
In other business, Alderman Boker was authorized to arrange a meeting of interested

aldermen to work out a solution for street lights in easements. He said Illinois Power Co. will not provide the lights under the city's street lighting contract. "I think some type of solution can be worked out if we get together," he added.

Council members called for votes on sidewalk and curb repairs, with Boker asking the street department to repair the sidewalk at 2355 Pontoon road. Foutos called for repairs to curbs at 22nd and Grand avenue and 23rd and Grand avenue. The projects were approved by council vote.

When more such projects are needed, Alderman Whitmer said the procedure was improper and that the requests should be made by individual aldermen to the superintendent of streets rather than be a subject of council discussion. "I have

City to Arrest Residents With Lidless Garbage Cans

A crackdown on Granite City residents failing to have lids on garbage containers was announced Monday night's city council session by Alderman Roy Poulos.

The alderman said conditions in alleys are becoming deplorable, and he has called upon the city inspection department to tour alleys and file complaints.

"We have a law covering this, and it states that all containers for garbage must have lids, and the garbage must be wrapped before being placed in the container. Now we're going to enforce it," Poulos said.

The Illinois Commerce Commission advised the city of a resuspension of the 47% rate increase sought by the East St. Louis & Interurban Water Co. for a six month period, extending the suspension of the proposed rate to May 20, 1970. The initial suspension expired Nov. 20.

Application for the rate increase was made by the water company on June 23 and the first hearing was held in September. The next hearing date of Nov. 17 was postponed at the request of the Council of Large Water Users.

New Hearing Dates
Hearings now are scheduled for Dec. 17-19 and Jan. 7-9 at Springfield.

Radio station WGN is to be advised to obtain a city permit for placement of benches at bus stops throughout the city and that the city also is to be provided with a hold-harmless policy in the event of a mishap resulting from the benches. Nann pointed out that no one knew the benches were to be installed until they already were in place.

Placed on file were notices of an Urban Renewal workshop to be held in Springfield on Dec. 4 under the auspices of

the Central Illinois Association of Redevelopment agencies and annual regional conference of the Southwestern Illinois Metropolitan Area Planning Commission to be held Dec. 13 at the University Center of SIU-SW.

Referred to Police Chief Veizer for recommendation was a request from Sandra Hoffstot, 2223 Delmar avenue, for a church youth group to seek funds to aid overseas missionaries. The request did not name a church or set a date for the fund drive which is planned in the downtown area and at shopping centers.

At the request of Alderman Whitmer, a resolution of appreciation is to be prepared for presentation to the Granite City Junior Chamber of Commerce for the "public officials recognition dinner" sponsored last week by the Jaycees. "We need to give them something of an official nature in their scrapbook," Whitmer said.

Union Thanksgiving Service This Evening

The Quad-City Ministerial Association will sponsor a Union Thanksgiving Service at 7:30 this evening at St. Joseph Catholic Church, 41st and State streets, featuring Dr. John S. Rendleman, chancellor at SIU-SW, as the guest speaker.

Rev. Paul Surbey, Rev. Martin Mangan, Dr. Robert Baumann and Chaplain John Paul Jones of the Army Depot will take part in the service.

New Life singers from the First Assembly of God Church under the direction of Rev. Charles Zwiwill will provide special music.

Army Provides Law Enforcement Training

Young men with an eye toward a career in law enforcement are getting experience and training in the Army's Military Police Corps, and at the same time fulfilling their military obligation, according to Sgt. Morris L. Cook, of the Army recruiting office at 1206 Niedringhaus avenue.

Sgt. Cook said that jobs are available in civilian law enforcement agencies all over the country and that men leaving the Army as military policemen are first in line for these jobs.

Military police perform foot or motor patrols, control pedestrian and vehicular traffic, quell disturbances and protect security sites, guard military prisoners of war, and other functions to enforce law and order and maintain military control and discipline.

Sgt. Cook added that men deciding to make the Army a career may advance in their jobs to confinement supervisor, specializing in supervision of disciplinary guards. This part of law enforcement is carried out at large garrison confinement areas, regional stockades, rehabilitation centers, or at a United States Disciplinary Barracks.

He further said that other men may choose to specialize as criminal investigators who investigate incidents and offenses, and make inquiries into complaints and allegations involving government property and military and civilian people under the jurisdiction of the Army.

Price Co-Sponsors Bill to Aid Social Security Rate

A legislative bill that would increase the number of "dropout" years to be claimed by a retiring worker in computing his social security income will be co-sponsored by Cong. Melvin Price (D-East St. Louis) in an effort to correct a "major defect" in the present social security benefit system, Cong. Price declared in an address to the House in Washington.

Price pointed out that under the present system, workers' benefits are computed on the basis of their average social security taxable income between 1951 and the year they are eligible for benefits. In such computation, each worker is allowed to delete his five lowest income years before computing the average. "Unfortunately, this dropout provision of the low five is restrictive and works an unnecessary hardship for the many workers who may be laid off before the age they are eligible for social security," the congressman said. "If a man is laid off because of plant clos-

ure or merger at the age 60, workers are retired prior to the age they are eligible for social security benefits. For example, he said, a man retired at 55, often skilled, rate of pay. He said the present plan also in ten years of zero income in conflicts with many private pension plans under which

The bill which Price will co-sponsor will provide three additional dropout years to male employees, allowing them to compute their benefits on the same basis that women do. The bill is to go before the House Ways and Means committee.
